

Dear Parents,

We are so happy to welcome you to Fulmar Road. We are looking forward to working with your children and to being a partner with you in your child's education.

We will be having a Kindergarten Orientation on Tuesday, September 1. (Details will follow once they become available). At Orientation we will be sharing information about our classes and let you know how our year is going to work according to what information we presently know.

Hopefully by now you have picked up your Chromebook and have become a little familiar with it. (We are going to be talking about all of the Chromebook information during our kindergarten orientation.)

Below is a list of supplies that your child will need for our school year. Please realize that we may be asking for other supplies/donations during the year, however we wanted to give you a head's up so you can shop during the sales. Please make sure that you label all of your supplies with your child's name that are starred ****

We will not be sharing supplies this year, however we will be collecting some of the supplies and will be distributing them as needed. so that your child's supply box is not overwhelmed with all of the supplies.

Please make sure that your child has an extra set of supplies for home use that they will be using for classwork (during virtual) as well as for homework.

We would also suggest that you have a dedicated learning space for your child. It is important that your child is away from any distractions that will take away from learning and focusing.

Please make sure to have your child bring a water bottle and a healthy snack on their first day of school. They will also need to bring their charged Chromebook in your backpack
