

# Kindergarten Home Packet

In the event of a school closing, here are some ideas and activities to encourage learning to continue at home until schools reopen.

## Phonics

- Practice high frequency words (snap words).
  - They can write them on cards.
  - Use those cards to play games to make the learning fun.

## Reading

- Read online with Raz Kids
- Read and listen to books. Discuss the books with them. Ask them about the characters and have them retell the story to you.

## Writing

- Write How to Books
  - Talk about things they can do and write, in steps
- Have children write stories, make cards, write shopping lists, or any activity that they enjoy which encourages them to write.

## Math

- Go on Dreambox
- Practice writing numbers and counting
- Play compare and double compare using regular playing cards with face cards removed (Compare is like the card game "War")

Activities to help develop their fine motor, spatial and social emotional skills –

- Puzzles
- Building using block, Duplo, or Legos
- Art
  - coloring
  - drawing
  - sticker art
  - painting

- cutting
- gluing
- Board Games

\*\*\*These activities can be done independently or with a family member.\*\*\*

Your children are used to following a schedule for the day in school. It may be helpful to make a schedule for them to structure their day.

Hopefully, we will all be back in school soon.

Stay Healthy and Stay Safe!
