Model Schools

LHRIC Model Schools has assembled a series of “Crash Course” webinars focusing on essential skills for technology tools that can be utilized for remote learning, communication, and assessment.

Format: essential skills, followed by Q and A

GOAL

Ensure continuity of learning and student interaction in the event of short or long term school closures.

- Register in My Learning Plan to participate
- Sessions will be recorded and archived for member districts
- Registered participants will receive instructions for accessing the live session.

Available Sessions listed on back ▶

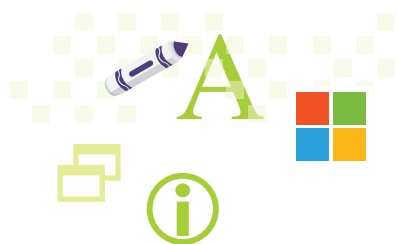

LHRIC Model Schools is ready to support your staff
