

## From the desk of your Parent Coordinator

Dear Parents/Guardians of PS 60,

I would like to take a moment to introduce myself. My name is Roe Pellegrino, and I have the pleasure of being PS60's Parent Coordinator. The role of the parent coordinator is to assist parents, encourage positive learning strategies for your child's success in school, and to keep parents informed of upcoming events and important news. My goal is to provide parents/guardians with a voice in their child's education and create new ways to address key concerns facing both parents and their children.

I am a parent of three children, all of whom are, or have been, in the NYC public school system. I have always wanted to play a major role in my children's education, so I became involved in my children's schools, very early on in their school years. I joined the PTA, and I am very happy to say that I had 12 wonderful years on the PTA as an executive board member, officer and School Leadership Team Member. I strongly believe in the education children receive from our public schools, so much so that I became a school aide to continue to be part of the school environment. Consequently, this determination has led me to embark on my role as Parent Coordinator.

My goal is to increase parental involvement by having workshops that interest you, organizing new events and assemblies, hosting *A Cup of Coffee with Roe*, and so much more. It is crucial that as parents you engage in your child's education and school community. Parental involvement will only enrich your child's learning experiences by strengthening our home and school partnership. So please don't be shy; be a part of your child's school and join the PTA, School Leadership Team, the Reading Volunteer Program and, most importantly, my E-Blast. I hope with your help we can continue to strive to make P.S. 60 an amazing, unique, and special place for learning.

In closing, please do not hesitate to contact me with any questions or concerns. I look forward to meeting and working with you. Thank you for your continuous support.

Sincerely,

Roe Pellegrino  
Parent Coordinator
