

Alta Vista Early College High School

To the Applicant,

Thank you for your interest in Alta Vista Early College High School (AVECHS). We are looking forward to working alongside you in accomplishing your educational goals. AVECHS is a blend between a high school and a college in a rigorous yet supportive environment, compressing the time it takes to complete a New Mexico High School diploma and the first two years of college.

AVECHS is open to all incoming freshmen students from the Gadsden District who have a sincere interest in academics, are highly motivated, and are willing to work hard to meet both the rigorous academic and behavioral expectations of AVECHS. In addition to completing the attached application, other documentation is required to process the application. The checklist of the required documents can be found under Part I of application.

AVECHS is built on the belief that high school students are ready and eager to do serious college work. However, we recognize that, in order for you to be successful, it is essential that we commit to providing you with the necessary resources and tools to achieve success. In return we ask that you and your guardian also commit to full participation in an academically rigorous program. As a part of your requirements to enter AVECHS, we will be asking to interview you, the prospective student, and your guardian.

AVECHS is excited to start its new academic year, and we are hoping you are as excited. Please complete the application and attach the requested documents. If you need any assistance or have any additional questions please feel free to contact us.

Sincerely,

Alta Vista Early College High School

Estimado Estudiante,

Gracias por su interés en Alta Vista Early College High School (AVECHS). Esperamos trabajar al lado suyo para lograr sus objetivos educativos. AVECHS es una combinación entre una preparatoria y un colegio en un ambiente sostenedor pero riguroso. Comprimiendo el tiempo que se toma para recibir su diploma del estado de Nuevo México junto con los primeros dos años del colegio.

Todos los estudiantes del primer año de preparatoria en GISD tienen la oportunidad de matricularse. Tales estudiantes deberán de tener un interés sincero en asuntos académicos, deben de ser sumamente motivados y dispuestos a trabajar para llenar las expectativas académicas y deben de tener buena conducta. Además de llenar la aplicación habrá que entregar cierta documentación que es requerida para procesar la aplicación. La lista de los documentos necesarios puede ser encontrada en la primer parte de la aplicación.

AVECHS está fundada en la creencia que estudiantes de preparatoria están listos y ansiosos de hacer trabajo colegial. Pero también reconocemos que para que tenga éxito escolar es esencial que nosotros nos comprometamos a proporcionar los recursos y herramientas necesarias. De la misma importancia será que tanto usted y sus padres o guardianes se comprometan de completo a la participación en el programa académico riguroso. Como una parte de los requisitos para ser aceptado a AVECHS, nosotros pediremos entrevistarle a usted, el estudiante futuro, y a sus padres o guardianes.

En AVECHS estamos emocionados en comenzar el nuevo año académico y esperamos que usted también esté entusiasmado. Por favor llene de completo la aplicación y adjunta los documentos solicitados. Si necesita cualquier ayuda o tiene cualquier pregunta adicional por favor de contactarnos.

Sinceramente,

Liliana De La Garza
