Pumpkin Patch!

**Tuesday, October 30<sup>th</sup>**

TRIP to the Prospect Park  
Zoo!

**Wednesday, October 31,**

Character Parade

Upper School 11AM

### *Happy Fall!*

This season Class 201 is learning all about Baby Animals. We have been learning about different kinds of animals, what they eat and where they live. If you have an animal or pet at home, please send in some photos!

The children are also learning the letters of the alphabet and about how readers become “Story Experts”. They are practicing how to draw people and animals, and how to write their names.

In math we have been exploring shapes, colors and patterns in our Button Unit. We have also been learning counting games.

Please continue to read to and with your child every day!

Please contact me at [ehuffma@schools.nyc.gov](mailto:ehuffma@schools.nyc.gov) if you ever have a concern or question.

Thank you!

Ms. Huffman
