DAILY SCHEDULE

8:10 a.m.	Bus students and car riders are allowed into the building
8:30 a.m.	All pupils expected at their desks
3:15 p.m.	Students dismissed to buses

DAILY SCHEDULE

The school day begins at 8:30 a.m. and ends at 3:15 p.m. **Students who do not ride the bus should not arrive at school prior to 8:10 a.m., unless they are involved in a school sponsored activity.** Students who do not ride the bus, should be delivered to the gym entrance. **Students will not be allowed to enter the building until 8:10 a.m. Supervision is NOT provided for students arriving before 8:10 am.** Parents should pull up to the drop off zone to unload students. If parents choose to park their vehicle, they must escort their student to the drop off zone. Students are NOT to cross the parking lot without an adult. If a student arrives at school after 8:30 a.m., a parent or the adult dropping off the child, must walk the child into the school office and sign him/her into school.

DISMISSAL

If an emergency arises and your child needs to ride a different bus than usual or is being picked up, a *NOTE TO THE TEACHER INFORMING HIM/HER OF THE CHANGE IS REQUIRED.* *The note needs to include the person's name, relationship, address & bus number.* If no note is received, the student will be sent home on his/her regular bus. Students will not be called off the bus once they have boarded. *For the safety of the children, only school personnel are allowed at the bus loading area.*

Should a parent need to pick up a student who normally rides the bus after school, the office must be contacted by 2:45 p.m. Students are picked up near the gym entrance. Parents must come into the building to get their child. If you need to pick up a middle school student after school, do so in front of the middle school.

Afternoon pick-up procedure: Parents should park their car, not blocking the driveway. If you are blocking the driveway, you may be asked to move in order to ensure that traffic can continue to flow through the parking lot. In the interest of safety, parents must get out of their car and come to the door to meet their student, as students are not permitted to cross the parking lot without an adult. Parents must complete a permission to release form with a list of adults permitted to pick up their child. Any changes to this form must be submitted by a parent/legal guardian in writing.

STUDENT ID'S

School ID badges will be worn throughout the school day. The replacement cost is \$5.00 if it is damaged or lost. Students must use a school approved lanyard with their ID badge. Lanyards cost \$1.00 if damaged or lost.

PARKING

All parking for anyone visiting the building is in the front of the school in the provided parking spaces. Parking in areas with painted yellow curbs is a violation of state fire codes. Please do not park in the grass. On the way to the office, please walk on the sidewalks, not the grass.

ATTENDANCE POLICY

If your child is absent from school, you need to notify the school by 10:30 a.m. If you do not call in, you will receive an automated phone call informing you that your child is absent. Please send a note to the attendance secretary **or notify the attendance secretary by telephone at ext. 3333** by the next day back from the absence, stating why the child was absent. Voice messages will then be forwarded to the teacher.

PRE-ARRANGED ABSENCES

A pre-arranged absence request form must be filled out in the school office at least one week prior to departure. No more than five pre-arranged days per school year will be excused. Submission of a form does not guarantee approval. *Pre-arranged absences will not be approved for students with more than 8 absences. Pre-arranged absences are not to be used to extend a vacation. (i.e. Before or after a scheduled school break).*

MAKE-UP WORK/HOMEWORK ASSIGNMENTS

All work missed due to an absence must be made up. Students will not be permitted to make up work for credit after a truancy. It is the student's responsibility to contact his/her teachers to obtain makeup work. At the beginning of the year, teachers will inform students about their specific time limits for completing work. Students are permitted 1 additional day per day missed to make up missed work for excused absences. Parents and/or students wishing to receive makeup homework assignments can access the class web page or contact the individual teachers. Administration reserves the right to make exceptions when extenuating circumstances are involved.

EXEMPT ABSENCE

Exempt absences are absences that will not be counted toward the number of absences (see ten day policy) a student is allowed per semester. Absences in this category would include the following:

1. A student with a chronic medical condition (mental or physical) requiring frequent absences from school. A "Child Incapacity Form" must be completed and signed by a licensed physician in order for these absences to be considered exempt.
2. Educational field trips
3. Homebound instruction as determined by the Special Education Case Conference Committee
4. Death in immediate family. Immediate family is interpreted as including father, mother, legal guardian, grandparent, stepfather, stepmother, brother, sister, stepbrother, stepsister, child, or person who has been living as a member of the household of the student. Approval of the number of days by administration is required.

EXCUSED ABSENCE

1. An absence verified by a physician
2. An absence verified by a parent or guardian (limit of five per school year)
3. Absences approved by administration
4. Prearranged Absences: (See Pre-Arranged Absences section above for further information).
5. If the student is sent home by the school nurse.
6. Participates in the Indiana State Fair for educational purposes as an exhibitor. Parents must provide evidence of participation to the school.

UNEXCUSED ABSENCE

1. An absence not verified by a parent or guardian (see absence verification)
2. Any absence above the five-day limit per semester that is not verified by a physician
3. Any absence above the ten-day limit per semester
4. Any other reasons for absence not specified under exempt or excused absences

TEN DAY POLICY

Considering the importance of the student/teacher relationship in quality instruction, it is critical that students be present in class to benefit from the expertise of our teaching staff. Therefore, **a student must not be absent from the classroom over 10 total days of instruction. This policy counts both excused and unexcused absences, but does not count exempt absences.**

A STUDENT MUST NOT BE ABSENT MORE THAN FIVE (5) TIMES PER SCHOOL YEAR WITHOUT VERIFICATION FROM A DOCTOR.

1. Parents will be notified when a student reaches five (5) total absences. Both excused and unexcused absences will be counted in this total.
2. Parents will be notified when a student reaches eight (8) total absences. Upon reaching the eighth absence parents may be required to attend a meeting with school personnel.
3. Parents will be notified when a student reaches ten (10) total absences. Upon reaching the tenth absence, school personnel may conduct a home visit to determine why the student is not attending school. The Department of Child Services may be contacted if a child has accumulated 10 or more unexcused absences. If absences continue, educational neglect charges may be filed with the Miami County Prosecutor's Office.

ABSENCE VERIFICATION

In an effort to maintain good communication between the school and parent, students and parents can expect the following procedures to be followed when students are absent from school:

1. Parents are asked to phone the school attendance office (689-9131 ext. 3333) before noon each day their child is absent from school.
2. When parents fail to call in, an automated call from School Messenger will be made to the phone numbers on file with the school.
3. If the school does not receive verification from a physician or parent/guardian within two days of the student's return to school, the absence will automatically be considered an unexcused absence or truancy, and the appropriate consequences will apply.
4. Students who are absent without the knowledge of the parent and/or school administration will be considered truant for that period or day. The student will be notified by the school personnel that a truancy has been assessed to their attendance record and will be assigned proper disciplinary consequences. Parents will be notified of the disciplinary consequences.
5. Students exceeding ten (10) truancy occurrences during any school year will be declared habitual truants. Habitual truants may be subject to all provisions of Indiana Code. (I.C. 20-33-2-11, I.C. 20-33-2-25)

TARDY

A student will be counted tardy if he/she arrives to school after 8:30 a.m.

1. 10th Tardy - Letter will be sent to the parent.
2. 15th Tardy - A meeting may be scheduled with the school personnel and the Department of Child Services may be contacted for educational neglect.

IT IS NECESSARY FOR YOU TO COME TO THE OFFICE TO SIGN YOUR CHILD IN/OUT IF HE/SHE IS TARDY, RETURNING FROM AN APPOINTMENT, OR LEAVING THE SCHOOL.

PERFECT ATTENDANCE

If a child is absent, exempt, or tardy anytime during the 9 week-grading period, that child is NOT eligible for Perfect Attendance Awards. Students are eligible for perfect attendance awards if they have been enrolled for each day of the marking period or year. Only students who have been present for all 180 school days at Maconaquah Elementary School will be eligible for perfect attendance for the year.

GUIDELINES TO DETERMINE IF YOUR CHILD IS TOO SICK TO ATTEND SCHOOL

When your child is not feeling well, deciding whether or not send them to school can be difficult. Here are some simple guidelines to help you make an informed decision. In most cases, if your child has any of the following symptoms, he/she should not come to school:

- Temperature 100 degrees or higher
- Vomiting or diarrhea
- Thick mucus or draining from the eye or pink eye
- Unknown rashes or skin lesions
- Chickenpox that have not yet scabbed over

ILLNESS/EMERGENCY AT SCHOOL

All injuries must be reported to a teacher or the office. If minor, the student will be treated and may return to class. If medical attention is required, the office will follow the school's emergency procedures and attempt to make contact with the student's parents.

A student who becomes ill during the school day should request permission from the teacher to go to the office. **The nurse will determine whether or not the student should remain in school or go home and if it is necessary to contact the student's parents.** No student will be released from school without proper parental permission.

Please note: We MUST have current phone numbers in order to contact you. Please keep your contact information current with the front office, including but not limited to new home, cell, or work phone numbers, as well as address.

Parents/guardians will need to come to the office to sign the child out. **If a child has been ill and parent desires for him/her to stay in at recess and or Physical Education class, a note from the doctor is required.**

ELEARNING DAY GUIDELINES FOR PARENTS!

Maconaquah School Corporation students and staff participate in e-learning days when school is cancelled due to inclement weather or as pre-planned professional development days for teachers. These days will count toward the 180 days of school required by law.

If an elearning day is scheduled or anticipated, your child will bring home an e-learning folder, his/her device, charger, and assignments. Work must be completed only if school is not in session. **All materials** (device, charger, folder, and assignments) **MUST be returned to school on the next school day.**

Completion and grading of elearning assignments will follow established guidelines of individual classroom teachers. Please contact your child's teacher for more information.

No pictures, videos, or downloads are allowed unless they are part of an assignment. Only the student assigned the device should utilize the device at home. Please do not allow siblings or other acquaintances access.

Please note that you are responsible for all damage to the device and/or its functionality. You have the option to purchase insurance for \$25/year for your child's school-issued device.

SCHOOL VISITATION/VISITOR MANAGEMENT SYSTEM

Upon entering a district building, visitors will be asked to present an ID such as a Driver's License, which can either be scanned or manually entered into the system. If a parent or guardian for any reason does not have a US government-issued ID, the school staff member can use any form of identification and manually enter the person's name into the system. The system checks the visitor's name and date of birth for comparison with a national database of registered sex offenders. The registered sex offender database is the only official database checked by the system. Once entry is approved, the system will issue a badge that identifies the visitor, the date, and the purpose of his/her visit. A visitor's badge will not be necessary for those who visit our schools simply to drop off an item in the office or pick up paperwork. Maconaquah School staff reserves the right to deny anyone entry to the building.

No person shall remain in the school building or on the school grounds after being asked to leave by any member of the administration, faculty, or maintenance staff. Student visitors will not be permitted. This includes field trips.

Animals will not be allowed to be brought into the school without pre-approval of the classroom teacher and administration.

Parents are always welcome at Maconaquah Elementary School. **Parents and guardians (unless otherwise prohibited by court order)** are welcome to join their child for lunch. Any other lunch-time visitors must have written permission from a **parent/guardian** on the day of the visit. No parents or visitors are allowed on the playground during recess. Classroom visits need to be pre-arranged and scheduled with classroom teacher and/or administration.

BOOK RENTAL

Parents/Guardians are financially responsible for book rental fees and any charges the school may assess for but not limited to lost books, cafeteria fees, library books, extracurricular activities, fund raisings and tuition. Parents/guardians shall also be responsible for all reasonable costs of the collection of this account, which may include but not limited to, late fees, client collection fees, collection agency fees, reasonable attorney fees and court costs on any outstanding balance.

In the event that this account is not paid by you, or other responsible party, we may find it necessary to place this debt for collection to a collection agency, or collection law firm. Such collectors typically charge us a reasonable percentage of the amount collected as their fee. For example, if the collection agency or law firm charges 20% of the amount collected as their fee, we will add 25% onto the debt and the collection agency or law firm will then earn 20% of the amount collected. We will recover the full amount of the debt plus cover the cost of retaining the collection agency or law firm. In addition to adding an amount to cover our collection fees, you agree to pay other fees such as actual court costs, or other costs of litigation. The amount added to the debt may not correspond to costs incident to collection, costs incurred in collection, or actual costs to collect this account. The amount added is determined by the prevailing rates of collecting debt with a collection agency or law firm.

ENROLLMENT

Students are expected to enroll in the attendance corporation in which they have legal settlement. However, if your family lives outside of their school of legal settlement or moves outside of the district during the school year, parents may request permission for their child to attend Maconaquah. Please contact school administration for more information on how to complete this process and the criteria for acceptance as an out of district student. Students that are new to the school are required to enroll with their parents or legal guardian. When enrolling, the parents will need to bring:

- a birth certificate or similar document,
- court papers allocating parental rights and responsibilities, or custody (if appropriate),
- proof of residency (ie. utility bill, driver's license, etc.), (no homeless child will be denied enrollment based on a lack of proof of residency),
- proof of immunizations.

This is in accordance with MSC Administrative Guideline 5111.

In some cases, a temporary enrollment may be permitted. In such cases, parents will be notified about documentation required to establish permanent enrollment.

CHANGE OF ADDRESS, JOB, OR TELEPHONE NUMBER

Any change of address, job, telephone number, or emergency contact should be reported to the office IMMEDIATELY. This is essential in case the school must contact the parent for any reason. It is the responsibility of the parent to see to it that all database information is correct and up-to-date.

One aspect of education is character development in our students. Self-control, respect and making good behavior choices are an important part of developing student character. It is the key to good conduct and proper consideration of other people. Our goal with discipline is to help students learn from poor behavior choices and encourage responsible decisions. Students are expected to follow the classroom management plan as established by their classroom teacher and show respect to ALL adults in the building. Should a student make a choice that violates our school rules and policies, disciplinary action becomes necessary. Please refer to the discipline grid on **Page 14**.

*****Maconaquah Elementary School is NOT RESPONSIBLE for any lost, damaged, or stolen personal items brought to school*****

SCHOOL PROPERTY

During the school day, throughout the year, students will receive and use technology devices, textbooks and other educational materials. They will also have access to various pieces of school equipment and the use of school facilities. Students are expected to show proper respect for all student property. *In case of damage or loss, appropriate measures will be taken by the administration.*

Students who damage other students’ school owned electronic devices or materials will be responsible for the replacement or repair of said items.

At the end of the school year, assessments may be made for damage to books and devices beyond ordinary wear and tear. The assessment is based on the original cost of the book, years of use, and extent of damage. ***The willful destruction of school property will result in disciplinary action.***

PARENT-TEACHER COMMUNICATION

Parents are urged to contact the school whenever the need arises. Teachers may be contacted by a note, e-mail, or telephone during a teacher’s planning time. In order to minimize instructional interruptions and maintain confidentiality, teachers will return parent phone calls when students are not present. If parents call during the school day and the teacher is not available, leave a message on his/her voice mail. Teachers will return your call or email within 24 hours of receipt. **If parents wish to have a conference with the child’s teacher, they must call ahead to make an appointment as the teachers’ schedules do not allow for drop-in conferences. For reasons of school safety, parents will not be allowed to “visit” classrooms unless a visit has been previously scheduled by the parent and teacher.**

Voicemail messages left after 2:30 run the risk of not being received. Please call the office if you have an urgent message after 2:30. If there is an emergency, the office will contact the teacher.

SEPARATED/DIVORCED PARENTS

The Maconaquah School Corporation will maintain a neutral position between parents who are separated or divorced unless otherwise directed by Court Order. In the absence of a Court Order, neither parent shall be deemed to have rights superior to the other parent. Either parent may provide the building administrator with a certified copy of the most recent Court order. Unless directed in the most recent Court Order, both parents, natural or adoptive, custodial and non-custodial, are entitled to all grade reports, newsletters, disciplinary action, teacher/principal conference appointments, and to pick up their child. All custody agreements and protective orders will be reviewed by the Maconaquah School Corporation attorney to ensure that the school is acting in accordance with the judge's most recent order.

HOMEWORK POLICY

Homework is a very important part of a student's education. Homework is given at the discretion of classroom teachers and per classroom policy. Please direct any questions or concerns you have regarding homework with your child's teacher.

ATHLETICS / EXTRA CURRICULAR ACTIVITIES

Students are eligible to participate in extra-curricular activities and/or athletics if they are in good academic standing and a good discipline record.

5th grade athletes MUST HAVE a current physical form on file at the school before they will be eligible to practice basketball or cheerleading. *Maconaquah School Corporation does not carry Athletic Accident Insurance for students participating in sports programs. This responsibility is assumed by parents. The parents will assume the financial obligations of any accident during the student's participation in any sports program. This will include practices as well as games.*

All events after school hours: Students attending events must be supervised by a parent, coach, or group leader. Siblings of extra-curricular participants are NOT allowed to stay after school for practices/events, they must go to their normal after school location on the bus or as a car rider.

Parents of Athletes (Girls Basketball, Boys Basketball, and Cheerleading) will be asked to work the concession stand during 2 home events that their child participates in.

REPORT CARDS (Please refer to the Mac El Parent Handbook on Standards Based Grading and Reporting for more information. A copy of the handbook will be provided to parents at the beginning of the school year and is also available on our website.)

Report cards are sent home following the end of each nine-week grading period. Identified learning targets will be assessed on a scale of 0-4. The purpose of the Maconaquah Elementary School report card is to clearly communicate student achievement of grade level specific learning targets. **Parents should be mindful that all students should be at a rating of three (3) by the end of the school year.** When reporting student learning in a standards-based system, the following scale/terms are used in lieu of a traditional graded system:

4.0 IN DEPTH KNOWLEDGE/MASTERY

In addition to the "Proficiency" criteria, the student demonstrates in depth knowledge of the task above and beyond what was taught in class. This category may not apply to some targets.

3.5 - Can be given at teacher discretion.

3.0 FULL KNOWLEDGE/PROFICIENCY

The student independently demonstrates full knowledge and understanding of the task. The student grasps and applies the key concepts, processes, and skills for the grade level. This is the expectation for all students.

2.5 - Can be given at teacher discretion.

2.0 PARTIAL KNOWLEDGE

The student demonstrates partial knowledge of the task and is beginning to, and occasionally does, demonstrate understanding of the target. The student is able to grasp and apply some of the key concepts, processes, and skills but produces work that contains errors.

1.5 - Can be given at teacher discretion.

1.0 PARTIAL KNOWLEDGE WITH HELP

The student demonstrates partial knowledge of the task when given assistance (i.e. teacher support, calculator, or other type of manipulative or teaching chart). The student is working on concepts, processes, and skills leading to grade-level work. The student needs additional support and practice to show progress toward grade-level expectations

0.5 - Can be given at teacher discretion.

0.0 NO KNOWLEDGE WITH HELP

The student demonstrates no knowledge or understanding of the task when given assistance.

Teachers, students, and parents should be mindful that a level of 3.0/Full Knowledge and Proficiency is the target for every child by the end of the school year.

PROMOTION, ASSIGNMENT, RETENTION

A. Promotion: Occurs when a student is doing the caliber of work (grade level) that indicates the student has met the criteria established in Maconaquah School Board Policy 5410.

B. Assignment: Occurs when a student is not doing the caliber of work that indicates the student should be promoted to the next grade. However, the student placement team recommends and the building administrator concurs, that it is in the student's best interest to move to the next grade.

C. Retention: Occurs when a student is not doing the caliber of work that indicates the student should be promoted to the next grade, based on the recommendation of the Maconaquah Intervention Support Team (MIST) with the concurrence of the building administrator. **** 3rd grade students taking IREAD 3 may be retained if they do not pass the IREAD 3 test, per Indiana State Law.** Students who do not pass IREAD the first time, will be required to attend Intercession classes and retake the test. *If they DO NOT or take pass the test at the end of the session, they will be retained in 3rd grade.*

MACONAQUAH INTERVENTION SUPPORT TEAM (MIST)

Maconaquah Intervention Support Team is a systematic process known as Response to Intervention (RtI) that is designed to ensure that all students learn. MIST is a general education intervention framework for prevention, advancement and early intervention which involves determining whether all students are learning and optimally progressing academically, socially, emotionally and behaviorally when provided with high quality instruction that addresses all aspects of students. Through the MIST process of instructional interventions, student instruction and intervention are designed to meet their needs in a general education setting. Collaboration is fostered between teachers, school support personnel, administrators and families in order to support all students. Families receive information regarding their child's progress, and ongoing home-school collaboration allows parents to become active and meaningful participants in the education process.

IMMUNIZATIONS

Students attending Indiana Schools are required to have an up-to-date record of immunizations for childhood diseases on file at the school they attend. These records must be completed and submitted to the school nurse within twenty (20) days from the date of enrollment. **Students failing to have these records on file will be subject to exclusion from school until the records are submitted.**

ADMINISTERING MEDICATION TO STUDENTS

The school will provide assistance administering medication to students **only** when the following conditions have been met:

1. The school will administer physician prescribed medication provided it is brought to the school in the ***pharmacy's original container with the physician's instructions.***
2. The medication will only be given to the student with the written consent of the parent. Medication release forms are available in the office.
3. All medication is to be kept in the nurse's office. Inhalers may be carried by students with a physician's note.
4. All non-prescription medications must also meet the above stated conditions. ***All medications must be in the original container,*** and must have a written consent form from the parent on file.

SELF-ADMINISTERED MEDICATION

A student may possess and self-administer medication for chronic diseases or medical conditions provided:

1. The student's parent files a written authorization with the school nurse; this must be filed annually.
2. A physician's written statement (also filed annually) must be included with the parent's authorization and include the following information:
 - a. An acute or chronic disease or medical condition exists for which the medication is prescribed.
 - b. The student has been given instruction as to how to self-administer the medication.
 - c. The nature of the disease or medical condition requires emergency administration of the medication.

The School or School Board is not liable for civil damages as a result of a student's self-administration of medication for an acute or chronic disease or medical condition except for an act or omission amounting to gross negligence or willful and wanton misconduct.

FOOD ALLERGY

If your child will need a substitute food or drink due to food allergies, medical documentation is required and must specify the allergy and an appropriate food or drink substitute.

EMERGENCY DRILLS

During the school year, students practice procedures to be followed in the event that disasters such as a tornado or fire were to occur while the students are in school. Drill procedures follow and meet state laws. Additionally, students practice lockdown procedures two times per year and an annual earthquake drill.

EMERGENCY CLOSING

In the event inclement weather delays, closes, or forces early dismissal of Maconaquah Schools, you will be contacted by school messenger. In order for you to be contacted, the school **MUST HAVE** current phone numbers in the system. During an emergency, we ask that you contact the emergency information line.

CHILDFIND

Childfind is a state and local effort to find children, ages 3 – 21, who are not receiving a free public education and who may have disabilities that interfere with learning. Childfind also seeks to create a greater awareness of the special education needs of these children. Schools in Indiana are required to provide an appropriate program for eligible children ages 3 – 21. We will provide guidance and referrals for disabled persons who are not of mandatory age. Anyone can refer a child. Call the Childfind coordinator. Childfind is in operation continuously. Referrals can be made at any time. Contact Kokomo Area Special Education Cooperative, P.O. Reporting Child Abuse and Neglect

In accordance with state law, each Corporation staff member shall be responsible for reporting immediately any reason to believe that a child is the victim of child abuse or neglect to the Indiana Department of Child Services or local law enforcement. “Reason to believe” will be interpreted broadly and liberally. Reports should be made immediately without any delay. It is not the responsibility of the school or individual making the initial report to investigate the suspected abuse or neglect; however, the Corporation may work with authorities to ensure student safety. Students, parents, and community members are also encouraged to report any reason to believe that a child is the victim of child abuse or neglect to the Indiana Department of Child Services. Please see Corporation Policy 8462 and accompanying administrative guidelines for further detail.

ANTI-HARASSMENT

It is the policy of Maconaquah Elementary School to maintain an education and work environment which is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all Maconaquah Elementary School operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment (using form 5517F1). This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by Maconaquah Elementary School.

Maconaquah Elementary School will vigorously enforce its prohibition against harassment, but not limited to, based sex, race, color, national origin, religion, disability, or any other unlawful basis. The school will investigate all allegations of harassment and if unlawful harassment is substantiated, immediate steps will be taken to end the harassment. Individuals engaging in unlawful harassment will be subject to appropriate disciplinary action.

Complaints of unlawful harassment should be filed with building level administration at Maconaquah Elementary School.

Our district has developed a Wellness Policy that is focused on improving the health of students. The policy was developed by our Wellness Committee that includes teachers, parents, administrators, health professionals, community members, and the district nurse.

APPENDIX A

1. ***Riding the bus is maintained as a privilege, not a right.*** Any student who behaves in such a manner as to threaten the health and safety of the occupants of the bus will have the privilege suspended or withdrawn.

The driver has complete authority to operate and control the bus and its passengers within the guidelines and policies of Maconaquah School Corporation. The authority to assign seats on the bus is absolute.

2. Parents of bus riders are responsible for:
 - the safety of their child while going to and from the bus stop and while waiting for the bus
 - having their child to the bus stop at least 5 minutes prior to the scheduled pick-up time
 - damage by their child to school buses, personal property, or public property
 - knowing their child's bus driver's name and bus number

 - remaining quiet and refraining from the use of profanity or indecent conduct

School Administrators may deny the privilege of riding the bus to any student who refuses to conduct himself/herself in an orderly manner as documented by the bus driver.

Maconaquah bus drivers will utilize the following four-step process when dealing with student discipline:

1. Speak to student privately
2. Action by bus driver (i.e. Reassigning seat, writing exercises, etc.)
3. Call parent/guardian
4. Bus discipline form sent to Administrator

APPENDIX B

Maconaquah School Corporation Procedure for Head lice

Purpose: To define the steps that will be taken by the Maconaquah Corporation staff in the event of a suspected case of head lice.

Rationale: The goal of the Maconaquah School Corporation Health Services is to keep students in the classroom as long as medically safe. As head lice are not a risk for carrying communicable disease; are primarily spread through direct head to head contact, and only live 18-24 hours off a host, the subsequent steps will be followed:

1. Students suspicious of having head lice will be sent to the nurse for evaluation. Class inspections will not be routinely performed.
2. A thorough inspection for live lice and nits will be completed.
3. If live (crawling) lice are noted, the parent will be notified by phone (if possible) and/or by letter which will be sent home with the student at the end of the day. The parent, upon notification may choose to pick their student up at that time.
4. The parent will be provided with information on head lice.
5. The parent will be instructed to inspect other household members for live lice.
6. The parent will be instructed in methods for elimination of infestation including the inspection for live (crawling) lice and manual removal (combing).
7. The parent will be instructed to continue daily combing until no live lice are discovered (approximately 1½ weeks). Remove live lice.
8. The parent will be instructed to change and launder all bedding, clothing, coats worn by the student in the last 48 hours.
9. Students will not be routinely excluded from school due to head lice.
10. Students will be re-inspected by the nurse following treatment by the parent upon returning to school.
11. Nurse will initiate the Head Lice Flow Sheet.

APPENDIX C

SCHOOL LUNCH POLICY

It is the desire of the Maconaquah School Corporation that no student goes without breakfast and/or lunch. To reinforce this policy, the listed procedures must be followed:

Breakfast/Lunch/Milk money is collected daily in the elementary buildings. Your child's account is set up as a "checking account." In order for your child to be served breakfast, lunch or milk, he/she MUST have money in his/her account. You may pay weekly, monthly, per semester, or the full year.

2019-2020 School Lunch Prices

- **\$2.50 – Students (Mac El and Pipe Creek)**
- **\$3.35 – Adult**
- **Breakfast - \$1.35 per student**
- **Milk - \$.50 per milk**
- **Reduced Lunch - \$0.40**
- **Reduced Breakfast - \$0.30**

PLEASE KEEP YOUR CHILD'S ACCOUNT IN GOOD STANDING

When a student paying full meal price in Elementary school reaches a \$10.00 debt or a student receiving free/reduced lunch reaches a \$5.00 debt, an alternate breakfast and/or lunch will be served to the student. The Principal and parents will be notified that the student is receiving an alternate meal. If the past due account is NOT made current after FIVE (5) days, the student will be asked to bring a lunch and drink (not pop) from home. NO SCHOOL BREAKFAST AND/OR LUNCH WILL BE PROVIDED UNTIL THE ACCOUNT IS PAID IN FULL.

Students who repeatedly abuse the charge policy may not be allowed to charge in the future.

A meal charge notice (full & reduced price) will be sent to you, the parent, via your student. It will be the responsibility of the students to make sure that parents receive the written notice. PLEASE CHECK DAILY TO SEE IF YOUR CHILD HAS A NOTICE.

Two weeks before the last day of school, NO charging of any kind will be allowed. This is so we can get all accounts closed out.

At the end of school all balances of \$10.00 and over will be refunded by request only. A form will be sent home with your child. Refund checks WILL NOT be mailed, but may be picked up at the corporation office.

If a check is returned to the Food Service Department for non-sufficient funds:

1. The individual will be notified by telephone and asked to make the check good by providing the amount of the check in cash. There is a \$10.00 processing fee for all returned checks. If the check is not taken care of within 30 days of being returned to the bank, it may be turned over to collections.
2. Returned checks may result in a "cash only" payment schedule.

The School Food Service operation is totally self-supporting and does not receive funds from the School Corporation or local tax dollars. We are expected to pay for the bulk of the revenue from our breakfast and/or lunch money. We understand that financial circumstances can quickly change. Should you find that free or reduced meals might be appropriate for your family at any time during the school year please feel free to contact us for an application from the office. Our goal is simple: to feed all students nutritious and appealing meals. We hope that participating in the Free/Reduced Meal Program will enable all Maconaquah students to regularly participate in the School Lunch Program.

APPENDIX D

Challenge to Records. A parent or student 18 years of age or older may challenge a record as being inaccurate, misleading, or otherwise in violation of the privacy or other rights of the student. The following procedures are added if the parents or student 18 years of age or older seek to correct educational records:

(c) In the event that the request is not resolved to the parent or student's satisfaction, they may request a further hearing into the matter. In this event, the [insert title][A3] or the designee will appoint a "hearing examiner" to hold a hearing on the matter. The request for a hearing shall be in writing. The parent or student 18 years of age or older shall have an opportunity to present evidence and may be represented by attorney at their expense. The hearing examiner shall have no direct interest in the situation and shall notify the parents or student 18 years of age or older of the procedures governing the hearing, including what rights the parents shall have and how the hearing will be recorded. APPENDIX E
Acceptable Use Policy
Maconaquah School Corporation Student Policy

The purpose of the Acceptable Use Policy is to inform parents, guardians, and students of the rules governing the use of district and personal technology resources while on or near school property, in school vehicles, and at school-sponsored activities, as well as the use of district technology resources via off-campus remote access. In addition, your student's image may be used on promotional materials as well as on the school-sponsored website.

Please read the following carefully before signing your Acceptable Use Policy. Maconaquah School Corporation reserves the right to modify the terms and conditions of this document at any time. The latest version of this document is available at the Maconaquah School Corporation web site at www.maconaquah.k12.in.us.

INTRODUCTION:

Maconaquah School Corporation is pleased to offer students access to district computers, communication systems (i.e. student e-mail accounts, web sites, blogs, wikis, podcasts, and other emerging technologies), the Internet, and an array of technology resources to promote educational excellence. Each student is responsible for his/her use of technology, whether personal or district-provided. While using district and personal technology resources on or near school property, in school vehicles, and at school-sponsored activities, as well as using district technology resources via off-campus remote access, each student must act in an appropriate manner consistent with school, district, and legal guidelines. It is the joint responsibility of school personnel and the parent or guardian of each student to educate the student about his/her responsibilities and to establish expectations when using technology.

USING THE INTERNET AND COMMUNICATION SYSTEMS:

District technology resources are provided to students to conduct research, complete assignments, and communicate with others in furtherance of their education. Access is a privilege, not a right: as such, general rules of school behavior apply. Access to these services is given to students who agree to act in a considerate and responsible manner. Just as students are responsible for good behavior in a classroom or a school hallway, they must also be responsible when using school computer networks or personal technologies. Students must comply with corporation standards and honor this agreement to be permitted to use technology.

All digital storage is district property, and as such, network administrators will review files and communications to maintain system integrity and ensure that students are using technology responsibly. Students should not expect that files stored on district servers will be private. It is the responsibility of the student to back up his/her files whenever a new file is created or an old file has been edited and changed. Files may be backed up by storing them on the server, a personal storage device (such as a flash drive), or burning them to a CD.

The educational value of technology integration in curriculum is substantial. Access to the Internet will enable students to use extensive online libraries and databases. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate, profane, sexually oriented or potentially offensive to some people. While the intent is to make internet access available to further educational goals and objectives, students may find ways to access these other materials as well.

Maconaquah School Corporation does not condone or permit the use of this material and uses content filtering software (LightSpeed) to protect students to the fullest extent possible. If a website is blocked by the school filter, students should not try to “get around” the filter. Parents and guardians must be aware that content filtering tools are not completely fail-safe and while at school, direct supervision by school personnel of each student using a computer is desired, but not always possible. Students are expected to use technology resources in a manner consistent with the rules below and will be held responsible for their intentional misuse.

Maconaquah School Corporation believes that the benefits of student access to the Internet in the form of information resources and opportunities for collaboration exceed any disadvantages. Ultimately, parents and/guardians are responsible for setting and conveying the standard that their children should follow when using technology. If a student accidentally accesses inappropriate materials, they should back out of the information at once and notify the supervising adult.

Proper and Acceptable Use of All Technology Resources:

All district technology resources, including but not limited to district computers, communication systems, and the Internet, must be used in support of education and academic research and must be used in a manner consistent with the educational mission and objectives of Maconaquah School Corporation.

Each student will be required to pass an exam over proper care and usage of his/her laptop. By passing this exam, the student will earn the privilege to take his/her laptop home. This test will be administered and scored via an on-line testing site. The student laptop must be turned in to the technology team at the end of the school year for updates and routine maintenance.

Activities that ARE permitted and encouraged include:

- School work
- Original creation and presentation of academic work
- Research on topics being studied in school
- Research for opportunities outside of school related to community service, employment, or further education

Criminal Organization

It is the policy of the Maconaquah School Corporation (MSC) to prohibit criminal organization activity and similar destructive or illegal group behavior on school property or school buses or at school-sponsored functions. MSC prohibits reprisal or retaliation against individuals who report criminal organization activity and similar destructive or illegal group behavior or who are victims, witnesses, bystanders, or others with reliable information about an act of criminal organizational activity and similar destructive or illegal group behavior.

“Criminal organization” defined (per IC 35-45-9-1) - “criminal organization” means a group with at least three (3) members that specifically: either: promotes, sponsors, or assists in; or participates in; or Requires as a condition of membership or continued membership; the commission of a felony or act that would be a felony if committed by an adult or the offense of battery (IC 35-42-2-1).

“Criminal Organization Activity” - a student who knowingly or intentionally actively participates in a criminal gang, or a student who knowingly or intentionally solicits, recruits, entices, or intimidates another individual to join a criminal gang.

Per IC 20-33-9-10.5, a school employee shall report any incidence of suspected criminal organization activity, criminal organization intimidation, or criminal organization recruitment to the principal and the school safety specialist. The principal and the school safety specialist may take appropriate action to maintain a safe and secure school environment, including providing appropriate intervention services.

Any corporation and school employee who promptly reports an incident of suspected criminal organization activity and who makes this report in compliance with the procedures of this policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident.

The principal or designee shall conduct a thorough and complete investigation for each report of suspected criminal organization activity. The investigation shall be initiated by the principal or the principal’s designee within one school day of the report of the incident. The principal may appoint additional personnel and request the assistance of law enforcement to assist in the investigation for the administrator’s safety.

The principal shall provide the parents of the students who are parties to any investigation with information about the investigation, in accordance with Federal and State law and regulation.

The superintendent of the school corporation is authorized to define the range of ways in which school staff and the principal or the principal’s designee shall respond once an incident of criminal organization activity is confirmed, according to the parameters described in the corporation’s code of student conduct. The school board recognizes that some acts of criminal organization activity may be isolated incidents requiring that the school officials respond appropriately to the individuals committing the acts. Other acts may be so serious that they require a response either at the school corporation level or by local law enforcement officials. Consequences and appropriate remedial actions for a student who engages in criminal organization activity may range from positive behavioral interventions up to and including suspension or expulsion.

The principal shall proceed in accordance with the code of student conduct, as appropriate, based on the investigation findings. As appropriate to the investigation findings, the principal shall ensure the code of student conduct has been implemented, and provide intervention and/or relevant support services (ie., refer to counseling, establish training programs to reduce gang activity and enhance school climate, enlist parent corporation and involvement or take other appropriate action). The principal shall inform the parents of all students involved in alleged incidents, and, as appropriate, may discuss the availability of counseling and other intervention services.
