

Mac EI News and Notes

April 9, 2020

2nd Grade Brave of the Week- **Talia Banks**

Talia is such a fun and sweet girl. She has been working so hard. Even when the work got hard, she didn't give up. I am very proud of her!

3rd Grade Brave of the Week- **Kain Sopher**

Kain is a hard worker who always tries his best on all of his work. He's a smart boy who is always questioning things he doesn't understand so that he can succeed and learn. He has been very conscientious about turning his Elearning in this first week of school. Kain gets along well with everyone and is always willing to pitch in and help anyone who needs it! I sure miss seeing him in person!!!

4th Grade Brave of the Week- **Chandler Mofield**

Chandler worked extremely hard this week on his eLearning. He is also doing extra work to stay ahead on his skills. Chandler is a hard worker and always gives his all.

5th Grade Brave of the Week- **Jenna Kunkle**

Jenna always works hard in the classroom and she continues to do that with her elearning assignments. She writes amazing stories and is very thoughtful of others. I hope to continue to see her wonderful writing and positive attitude shine through during these virtual learning days.

Parents and Families - Thank you for your hard work and support during this unprecedented time. We realize the impact the COVID 19 virus and continuous elearning has and will continue to have on our families. We appreciate the sacrifice you are making to ensure that your family continues to be in good health while also managing remote learning. Teachers and instructional staff are reaching out to students regularly. If we don't hear from your child or from you, know we will follow up with parents when we aren't hearing or interacting with your child. Our students need to complete their work, however, we want to know that our students and their families are well!

Mrs. Isenburg, Mrs. Snyder and I are available to assist you with other needs that may present themselves at this time. Please do not hesitate to reach out to us if you are in need of community resources or have other needs. Thank you again for providing encouragement and support to your students as we work together to provide them with the best possible education during the coming weeks. We appreciate you and are looking forward to being together, in person, soon!

Mrs. McPike
