Afternoon Pick-Up Procedure: In order to provide safe pick up for all students at dismissal, we ask that parents who walk up to the sidewalk to get their child, park in a parking space. Please do not leave an unattended vehicle in the driving lane. This will help us keep the line of traffic moving through the two, pick-up lines. Under no circumstances, should vehicles go around other stopped vehicles when exiting. We ask for your patience! Impatient drivers at pick up, place our children at risk! Thank you!
