## Week Ending August 21, 2020

### Brave of the Week

#### 2nd Grade: Jayce Blair

Jayce is a great example of a BRAVE! He walks into the classroom every morning with a big smile and is excited to be at school. He works hard in the classroom and is a wonderful friend to his classmates. His positive attitude and work ethic are a great example to our class!

#### 3rd Grade: Ayden Wright

Ayden is a remote student who shows up every day ready to learn. He has a great attitude and works very hard. He has adjusted to learning from home and has a very supportive teaching coach!

#### 4th Grade: Arabella Seymoure

Not only is Arabella new to our corporation. She has been such a trooper! Arabella is kind, funny and great at math. She has made an excellent addition to our class and continues to set the example!

#### 5th Grade: Addyson O'Brien

Addyson is a very-hardworking student that even shares ways to remember things with her classmates. She always has a great attitude and a smile. It has been fun getting to know her, and I cannot wait to see her grow as the year progresses.

**Afternoon Pick-Up Procedure: In order to provide safe pick up for all students at dismissal, we ask that parents who walk up to the sidewalk to get their child, park in a parking space. Please do not leave an unattended vehicle in the driving lane. This will help us keep the line of traffic moving through the two, pick-up lines. Under no circumstances, should vehicles go around other stopped vehicles when exiting. We ask for your patience! Impatient drivers at pick up, place our children at risk! Thank you!**

Parents please communicate after school pick up changes with your child's teacher prior to 2:45 or to the school office. If you are requesting that your child ride a different bus (i.e. to grandma's house) you will need to provide us with the exact address. If we do not receive a note or phone call from you, your child will ride home on his/her regular bus. At this time we are not allowing students to ride home with a friend for playdates, birthday parties, etc. as bus drivers must have accurate seating charts at all times. Thank you for your cooperation!
