### 2<sup>nd</sup> Grade Brave of the Week-**Owen Worley**

Owen is a hard working and responsible student. He has been conscientious about completing his eLearning assignments and making sure that his work shows his best effort. Owen is also a talented artist. He helped to make our classroom a great place to be!

### 3<sup>rd</sup> Grade Brave of the Week- **Dakota Barrett**

Dakota Barnett has done all of his eLearning work since we started. He works hard, he puts out a good amount of effort, and he has some clever ways of thinking "outside the box". He waits his turn on our virtual meetings and he always participates in our weekly projects. This past week we had a show and tell and he told us about his pet chameleon. It was so fun watching. I am so proud of Dakota! I am sending him virtual high fives and hugs!

### 4<sup>th</sup> Grade Brave of the Week-**Trevor York**

Trevor has been doing an excellent job at completing his Elearning work and going above and beyond those expectations. He continually makes efforts to contact his teachers! During a Google Meet, Trevor was very respectful to his classmate and did a great job participating. I am very proud of him!

### 5<sup>th</sup> Grade Brave of the Week-**Anna Lane**

Anna is a very aloof student. She is quiet, but when she is encouraged to share her thoughts, the class stops and appreciates what she has to say. She is a friendly and giving person. I have really enjoyed Anna's humor.
