Dear PS/IS 268 Family,

As you probably know, today the City announced that the 7-day average of the citywide positivity rate for COVID-19 is 2.57%, and therefore there will be no system-wide closure tomorrow. If the city reaches a 7-day average of 3% at any point this week, all schools will close the following day. Parents will be notified via the DOE website, the school website (www.psis268q.org), school messenger, and ClassDojo as soon as a citywide school closure becomes necessary.

In preparation for a sudden shift to remote instruction, please note the following:

- We will be distributing textbooks and workbooks on Monday, November 16th between 8:30 am and 2:00 pm for remote students and blended students in Grades K-8 that have not yet received their materials. Please enter through the schoolyard entrance, wear a mask, and practice social distancing.
- Blended students in Group A and Group B will be combined and meet as a whole class and receive live instruction every day of the week.
- Please be sure that you are aware of your child's Google Classroom Codes so that you are able to access instructional assignments and zoom links. Visit the school website for information and support with Google Classroom: http://www.psis268q.org/covid19_reopening_information
- When the requested student devices are delivered to the school, you will be notified for pick-up. Here is the link if you still need to request a device:

- Please be sure that you have completed the Virtual Blue Cards so that we have your contact information. Here is the link if necessary:
