ALL STUDENTS MUST HAVE A CLEAR OR MESH BOOK BAG! Rolling bags are allowed!

If a student wants a separate bag for gym clothes, then this bag must also be clear or mesh!

- Providing basic supplies is a part of the family contract. If you have any concerns or questions, then please email Ms. Rebecca Greenbush (rebecca.greenbush@sccpss.com).
- Please check **weekly** with your child to discover what supplies need to be replaced!

Dear Parents:

- ✓ *Please do NOT send all packs of supplies to school at one time! Backpacks get VERY heavy - very quickly!*
- ✓ *At any one time, please send just what is needed.*
- ✓ *Save the extra packs (e.g. paper, pencils, index cards, glue) until your child runs out & needs more!*
- ✓ *We have found that students waste & lose supplies! Beware! ☺*

Please see the back of this page for opportunities to donate to our classrooms!

Classroom Supply Donations!

Opportunities for Volunteer Hours!

- ✓ Throughout the year, supplies in each classroom run out!
- ✓ Often students misplace or use up items in the first few months.
- ✓ Purchasing items for a teacher's class will ensure that your student has all needed supplies all year.
- ✓ Please remember that each \$5.00 (receipt) is worth 1 volunteer hour!
- ✓ *Please label your receipt with your student's name, your name and the name of the homeroom teacher.* Then, scan and email the receipt to donna.baxter@sccps.com
