**OPEN SCHOOL WEEK - MARCH 12<sup>th</sup> - MARCH 16<sup>th</sup>, 2018**

Dear Parents/ Guardians,

You are cordially invited to visit our classrooms to observe your child(ren) during *Math Workshop*.

We aspire to actively engage all our “guests” into our lessons during this special visit. Therefore, we ask that all younger siblings remain home at this time.

To ensure a productive visit, kindly observe the following protocol on these special days:

1. Please remain in your child’s class at all times as you are not permitted to leave the classroom to tour the building and/or go to the Main Office and/or Nurse’s Office.
2. Please do not confer with the teacher during the visit.
3. Please refrain from bringing food and/or drinks into our hallways or any of our classrooms.
4. **All cellphones are on vibrate and “invisible” to the student eye!**
5. **There is absolutely no videotaping and/or use of recording devices during Open School Week. iPads, cellphones, video cameras, camcorders, etc. are strictly prohibited!**

Please enter the school using **Exit 2** where Building Response Team Members will greet and guide you to our classrooms. At the conclusion of your visit, BRT Members will then escort all guests back out the same exit (**Exit 2**) for dismissal.
