Grade 5

Fifth Grade Summer Reading

Please read a nonfiction book at your reading level. We will do an activity with it when we return to school. While you are only required to do an activity over a nonfiction book, we strongly encourage reading at least two additional books of your choice as well.

Fifth Grade Math Practice

Practice these Math Facts once a week for 10 weeks this summer. At the bottom of the page write the time it took you to finish the page. Then, try to beat the time!! Please bring these sheets with you when school begins. They are for a grade. Practice, Practice, Practice!!!
