

Dear CK Families,

We're excited to announce that our school community will be hosting a virtual Field Day!

Field Day events are designed to be done indoors or outdoors using common household items. You won't be asked to purchase any specialized equipment or supplies.

Here's how it will work:

- Your family will receive a list of 22 activities with detailed instructions on each one. You can do as many of the activities as you want, but must have a minimum of 6 completed to be eligible for prizes.
- The activities can be done with students from Pre-K 3 to 8th grade. There is something here for everyone.
- If you would like, you can also create a zoom session or use another type of online video platform to participate with your friends.
- Scorecards will be due by **noon on Thursday May 21st**. Your card will be put into a random drawing to win a gift card from Academy, Target, Chick-Fil-A, Barnes and Noble, Sonic, or Braum's.
- Winners will be notified by email.

Field Day is an important tradition at our school. It is a significant day for our students and our staff, and we feel that in these incredibly challenging times this event is a unique way to stay connected as a community and support one another in a fun and meaningful way. Although this it is not our traditional way to end the school year, we will make the most of the opportunities we have in these difficult times.

Stay well and I miss all of you,

Mrs. Shanahan
