

SPECIAL OLYMPICS

POLAR PLUNGE 2018

FEBRUARY 24, 2018

10:00 – NOON

WHITE WATER BAY WATER PARK
OKLAHOMA CITY, OK

It's coming...It's coming... The polar plunge is coming!!!!

This fun event supports Special Olympics Oklahoma and we want to show our support for Deputy Singley and Law Enforcement Officers throughout the state who freely dedicate their own time and effort. Even if we don't jump into the frigid water we can still support the special athletes through our generosity and giving spirit. Just bring your donations to the school or Church office and we will post a polar bear that shows your support!
