To find a book, go to www.arbookfind.com.

- Please read at least 10 books or more and record them on the reading log.
- Choose your favorite book from your list to make a diorama (shoebox project.) The diorama will depict a favorite scene of the book of your choice. Prepare to discuss the main characters and the plot of the story.

Bring everything with you on the first day of school to present to the class.

Summer Math

Your child should have mastered all the addition facts in 1st grade, as well as, subtraction facts. Please make sure to practice these during the summer, so that skills are not forgotten. This is very important, and they must be known to be very successful in 2nd grade math.

Have a great summer vacation!
