

SUMMER MATH REQUIREMENTS:

All 7th and 8th grade students are required to use their IXL.com math account to practice math skills for 1 hour each week. If you have forgotten your username and/or password please contact me by email at lsciortino@ckschool.com. Here is a list of things you should work on.

6th Grade – Work on Level H skill sets A through Level I. You may go back levels if needed or go forward levels if you would like to challenge yourself.

7th Grade – Work on Level I skills sets A through M, and O, P, R, S, T. You may go back to lower level 1 if needed or go to higher levels if you would like to challenge yourself.
