1.5 NON-DISCRIMINATION POLICY

As a Roman Catholic School dedicated to the dignity of every human being, we state clearly that there can be no discrimination in the administration of educational policies, admission policies or other school-administered policies on the basis of sex, race, ethnic background, social or economic status. Since we are a religiously oriented school for the Catholic community, we give preference to the members of Christ the King parish, then to members of the Roman Catholic Church, but we also welcome other members of other creeds after the Catholic community has been served. Applications for admission are available at the school office.

1.6 SCHOOL ADVISORY COUNCIL

The School Advisory Council is responsible for approving school budgets and making recommendations to the Pastor and Principal concerning school policy. The members of the Council concentrate their efforts in six areas—budget and finance, curriculum, policy formation and evaluation, communications, long range planning and selection and evaluation of the Principal. Council meetings are held the third Wednesday of each month and are open to the school community.

In an extreme emergency AND/OR if the school cannot reach the parent/guardian, EMSA or other emergency medical services may be called. Expenses for emergency care

will be directed to the parent/guardian if a student is seriously injured in an accident or becomes seriously ill at school. Parents/guardians should notify the school of work, home, and mobile telephone number changes to avoid delays in contacting them for emergencies.

Every student is required to have emergency information on file in the school office. This information should include parent/guardian work numbers, as well as the name, telephone number, and relationship of two people who can be contacted if the parent/guardian cannot be reached. It is the parent's/guardian's responsibility to keep this information updated.

5.6 Asthma/Allergies

Christ the King Catholic School recognizes that asthma is an important condition affecting many school children and positively welcomes pupils with asthma. This school encourages students with asthma to achieve their potential in all aspects of school life.

5.61 Asthma Medications:

Immediate access to reliever inhalers is vital. Christ the King Catholic School requires that inhalers be kept with each student at all times and that they must be trained in their use and use them as needed. Parents are asked to provide the school with a labeled spare reliever inhaler. All inhalers must be labeled with the child's name. In addition, parents must complete a form and return this to the homeroom teacher providing the type of asthma and frequency of use. If medication changes during the year, parents are to notify the school so that they school may effectively assist the student.

5.62 School Environment

Christ the King Catholic School strives to ensure a school environment favorable to children with asthma. As far as possible, the school does not use chemicals in science and art lessons that are potential triggers for children with asthma. Children are encouraged to leave the room and go to the office if particular fumes trigger their condition.

5.63 Food Allergy Policy

The School recognizes that life-threatening food allergies are an important condition affecting many school children and positively welcomes students with food allergies.

5.64 Training

The School provides training and education for all pertinent school employees which includes (but is not limited to):

- Description/definition of common and severe allergies.
- The signs and symptoms of anaphylaxis.
- Location and correct use of an epinephrine auto-injector (Epi-Pen)
- Specific steps to follow in emergencies.

The policies and procedures will be reviewed annually. No employee will incur liability as a result of any self-administration of any medication

5.65 Classroom Procedures

Information about student allergies will be kept in the classroom and in the substitute teacher folder, accessible by teachers, substitutes, and other responsible adults. A parent or guardian of a student with severe allergies is responsible for providing all required food for his/her own child. Snacks will be kept in a separate snack box or chest provided by the parent or guardian. Parent, teacher and administrator will meet to discuss any additional concerns or needs.

In the event of a suspected severe allergic reaction, where there is no known allergic history, emergency medical services will be called immediately.

5.7 Meningococcal Meningitis

Meningococcal meningitis is a rare but potentially fatal illness that can strike at any time. Research has shown that teens and young adults are at an increased risk. **Symptoms** include severe headache, high fever, stiff neck, nausea and vomiting, numbness and loss of feeling, light sensitivity, confusion, rash, and seizures. A person may not have all the symptoms or may not have them all at the same time. Meningitis can be **caused** by close contact with a person who is sick with the disease. There are also people who can carry the bacteria in their nose or throat, but never become sick. Contact with these carriers can also cause someone to catch the disease. Risk factors for contact with the disease include living in close quarters, such as college dormitories, being in crowds for long periods of time, sharing drinking glasses, bottled water, or eating utensils, kissing, smoking or being exposed to smoke, being run-down due to staying up late or having irregular sleeping patterns. Meningitis may be **prevented** by avoiding the behaviors that spread it. There is also a vaccination that can help prevent it. Ask your child's health care provider about how to protect your child.

6. TELEPHONE

In order to preserve the learning environment and maintain maximum time-on-task, classroom interruptions must be at a minimum and only for essential use. To use the telephone, students must present authorization from their teacher to the principal's office. The office telephone is a business phone and students are permitted to use it only in the case of an emergency. Forgotten homework, textbooks, or athletic equipment, etc. do not

constitute emergencies. Arrangement for after school visits with friends should be made at home and must be authorized with a note to the student's teacher.

Unless an emergency arises, neither students nor teachers may be called to the telephone during school hours. Students will not be allowed to use the telephone in other parish offices.

***Please keep emergency phone numbers updated in the school office.**

6.1 Cell Phone Usage

Although the school recognizes the value of cell phones for emergencies and transportation issues before and after school, no cell phones are allowed to be carried by the student during the school day. Therefore, cell phones should remain in student backpacks or lockers out of sight. Should these phones be visible, including during pick-up procedures, they will be confiscated and a parent must come in and claim them. In addition, disciplinary action will be taken. Repeat incidents will result in the loss of cell phone. At no time should students be texting during the school day, nor should parents text their child during the school day.

7 LEGAL INFORMATION REGARDING STUDENTS

7.1 STUDENT WELFARE (CHILD ABUSE)

Christ the King Catholic School will comply with Oklahoma Statutes and Archdiocesan policy concerning child abuse. All persons within the school community are required by law to report suspected cases of child abuse to the Child Abuse Hotline. In all cases the school principal and the Superintendent of Schools shall also be notified. All volunteers, faculty, and staff must complete the Archdiocesan Application, complete the background check on-line, attend the Safe Environment training, and read the "Code of Conduct" and sign the statement of receipt. Registered sex offenders may only enter school grounds with prior notice to the principal to: enroll their children deliver or retrieve their child during normal school hours or from a school sponsored extracurricular activity. During this process, the offender may not exit his/her vehicle unless prior permission has been granted by the school principal. Communications with such a parent will be by phone, letter or email only."

7.2 STUDENT CARE RELEASE

The staff of Christ the King Catholic School is concerned about the safety and welfare of all its students. A request for the release of a student from school will only be honored when the request can be verified as legitimate. Persons who are authorized to seek a student's release are the custodial parent/guardian, the noncustodial parent (who presents a certified copy of a legal document proving relationship to the student), or a designee with written authorization by the custodial

parent/guardian that can be verified by the school. It is the responsibility of the custodial parent to notify the school of restrictions related to the release of a student.

7.3 PARENTAL CUSTODY

If parents are divorced or separated, the school presumes that both parents have access to the children and their records unless one parent provide legal evidence that he or she has the sole right. Such evidence must be presented as a legal document to the principal.

7.4 STUDENT RECORDS

Christ the King Catholic School adheres to the Buckley Amendment (Family Education Rights and Privacy Act) regarding access to student records. Records of students transferring to other schools will only be sent directly to the new school. No records will be given to parents to transport to the new school. Requests for records/transcripts must be made in writing by the parent/guardian. No letters of recommendation to other schools will be written except for graduating eighth graders or students transferring out of the metropolitan area.

Christ the King Catholic School shall respect parental and student rights to information and to confidentiality. This includes:

Provide parents/guardians access to records directly related to the student (i.e.the cumulative record card, health records);

Permit parents/guardians to challenge these records and to secure amendment, if any are inaccurate or misleading; and

Obtain the written consent of parents/guardians before releasing personally identifiable information from students' records.

Parental rights extend to either parent unless the school has been provided with evidence that there is a court order, statute, or a legally binding document relating to matters, such as divorce, separation, or custody, that specifically revokes these rights. It is the responsibility of the parent(s) to provide the school with any changes to the legal document in writing. **No records will be sent to another school if financial obligations have not been met.**

8 SCHOOL VISITORS

Parents/guardians are always welcome to the school and are required to volunteer in school activities and programs. To maintain security, it is imperative that ALL guests stop at the office to sign in and put on a visitor badge before going to the classroom or any other area in the school. **The principal and teacher's permission is always necessary before visitors enter the classroom.** Lunches, gym clothes, books, etc. dropped off for the student should be

left on the table outside of the cafeteria kitchen. Visits of students from other schools will only be allowed at the principal's discretion

9 STUDENT DROP OFF (NO Cell phone use during drop-off)

PART-TIME PRE SCHOOL - Arrivals allowed only after 8:15 am. Please be on time. All students should enter via the front (Elmhurst) doors and be walked to your classrooms by an adult. **Please do not park on the street.**

FULL TIME PRESCHOOL students must enter the school via the front door on Elmhurst and be walked to their classroom by either a parent or older sibling.

STUDENTS IN GRADES K-3 WHO DO NOT HAVE OLDER SIBLINGS will be dropped off on Guilford if they arrive prior to 8:00 am. Enter Guilford from Coventry and stop at the end of the sidewalk going east. Students should exit the car on the side closest to the sidewalk.

STUDENTS IN GRADES 4-7 (or those with PK siblings) may be dropped off by driving west on Elmhurst, turning right into the first entrance and proceeding under the school portico. Please pull forward to the end of the sidewalk to allow as many cars as possible to drop off students. Students should exit the car on the side closest to the school door. **CARS CANNOT TURN LEFT INTO THE DRIVE THRU AFTER 7:50.**

GRADE EIGHT STUDENTS (and their siblings/carpool) Cars should enter the drive by the junior high from the north (by West Nichols Hills Elementary) and proceed along the curb for drop off. Cars then proceed west to the gate and need to go north on Greystone. Students should exit the car on the side closest to the school door.

AFTER SCHOOL PICK UP (No cell phone use during moving carpool)

- 9.1 Part time Preschool students must be walked to and from the building by a parent or guardian.** Parents are asked to be respectful of neighbors when parking to drop off or pick up their students. **Please do not park on the street.** Students should be picked up at the entrance designated by your child's teachers which include either the North lot or the South lot. As with all students, we must have written notification if someone other than those authorized by custodial parents will be picking them up from school. Please be on time or notify the school if you are delayed.

After 2:30 no cars should be parked in the yellow spaces in either the North or South lots to allow for carpool.

FULL TIME PRE-K STUDENTS

Full-time Pre-K (PK) students who do not have siblings need to be picked up by 2:45. Parents need to park and pick up their child at the pre-school exterior door. Pre-K students who have siblings need to be picked up in the school commons area by their siblings and proceed with them to their carpool.

KINDERGARTEN THROUGH SECOND GRADE STUDENTS

Kindergarten through third grade students and those older students in grades four through eight who have younger siblings, shall be picked up at the **SOUTH** entrance to the school. Please go east on **Elmhurst** and enter the parking lot through the southwest entrance and line up your car in the parking spaces facing east.

On regular days, the students will assemble along the south side of the school for dismissal (on rainy days, student will wait inside.) Students will be instructed by the teacher on duty to “cross” to their car when it reaches the front of the line. Cars will then exit through the southeast exit. After two “passes” from the teacher on duty, if the student has not gotten into the car, it must exit the line and return to the end so the pick-up process can continue. Please stress to your child the importance of getting to the carpool line as soon as possible! For the safety of the children, before the car riders are permitted to approach their vehicle, parents will be asked to wait until their car moves up to the front of the line and the “cross” signal is given before the car riders are permitted to approach the vehicle.

FOURTH THROUGH SEVENTH GRADE STUDENTS

Fourth through seventh grade students who do not have younger siblings, shall be picked up in the **NORTH** lot of the school on the **NORTH** side of the building approaching from the **EAST** on Guilford Ave. Please enter on the east side of the parking lot and line-up. The same procedure for loading will be used as on the south side of the building. Cars will proceed back down Guilford going east.

GRADE EIGHT STUDENTS and their siblings/carpool riders

These students will wait along the sidewalk by the junior high. Cars enter from Greystone and proceed along the curb. Exit is by the north gate. It is important that these drivers be prompt to avoid congestion with the dismissal of West Nichols Hills.

9.2 BEFORE AND AFTER SCHOOL RESPONSIBILITY

Students of Christ the King Catholic School are professionally supervised outside the school day from 7:40 a.m. to 8:00 a.m. and from 3:00 p.m. to 3:15 p.m. Parents are expected to pick up their students before 3:15 p.m. Unattended children remaining on the school grounds after 3:15 will be sent to KIDS CLUB, the supervised after school program. Parents will be responsible for immediate payment to KIDS CLUB upon arrival.

9.3 CHANGE OF SCHEDULE/PLANS

It is the responsibility of the parent to contact carpool members, and/or Kids Club (or other care agencies) when a child is absent, leaves school early, or needs other arrangements to be made. **HOMEROOM TEACHERS SHOULD BE ADVISED IN WRITING WHEN A STUDENT IS TO GO HOME IN A DIFFERENT CAR POOL OR BY A DIFFERENT MEANS ON A GIVEN DAY. THERE WILL BE NO EXCEPTIONS.** Faxes will be accepted when the following information is provided: Phone number where the parent can be reached that day, and parent signature.

Students are not permitted to return to the school building after 3:30 pm unless accompanied by a teacher.

10 STUDENT RESPONSIBILITIES

10.1 ATTENDANCE FOR PART TIME – PRE-SCHOOL STUDENTS

Part Time Pre-School classes for the 3 day program and the 4 day program begin at 8:15. Students in these classes must wait in the hallway outside of the pre-school area with a parent until a teacher arrives to get the students.

Tardiness is highly discouraged. Students who are tardy will not be allowed in their classroom without a tardy slip. Children who are tardy create a disruption to the whole class and can cause meaningful instruction to be halted. If a child has excessive tardies a conference with the parents, teacher and administration will be warranted.

ATTENDANCE FOR STUDENTS IN FULL DAY PRE-SCHOOL THROUGH EIGHTH GRADE

(THIS INCLUDES THE PART-TIME STUDENTS THAT ARE IN THE FULL DAY PRE-SCHOOL CLASS)

Attendance and prompt arrival are essential for academic progress. Christ the King School complies with the compulsory attendance regulations set by the state of Oklahoma including truancy referrals for 10 or more days or parts of days of unexcused absences per semester.

School begins at 8:00 AM. Upon arriving, the students go to the gym until 7:50 AM at which time teachers escort them to their classrooms. A student is tardy if they are not in their homeroom by 8:00 AM. **After 8:05, a parent must come to the school office to sign in his or her child.** Students who are tardy must come to the office for a tardy slip before they can go to class. Tardiness is discouraged. It is disruptive to the classroom proceedings, the other students, the teacher, and the student who is tardy.

After **three** accumulated tardies per semester, a student and his parents will be charged \$5.00 per tardy. Early checkout and extended lunch checkout will be treated the same as a tardy. Unexcused half day absences will be counted as a tardy for fee purposes. Junior high students will be counted tardy for arriving late to classes during the day. The second semester allotment of 3 tardies may not be used to cover any first semester tardies.

An absence of more than two hours shall be recorded as one-half day absence. This pertains to either a two-hour late arrival or early departure. No student may leave the school grounds at any time during school hours without being checked out at the office. Please make all appointments (medical, dental, barber, etc.) outside the school day, if at all possible. If a tardy or absence is due to an appointment, a doctor/dentist note is required and must be turned in no later than the following day to be considered excused.

An absence or tardy is considered excused if it is based on illness or a death in the family. All other absences are considered unexcused. It is the parents' responsibility to notify the school when their child is absent. Parents need to complete the proper form when requesting an extended absence, whether the absence is excused or unexcused.

Students who are absent without valid excuse for ten (10) or more days or parts of days within a semester (Title 70, Section 10 of Oklahoma Statutes) are at risk of retention or may be required to attend summer school before being promoted. The principal and teachers will meet with the parents to evaluate the situation. Factors, such as past attendance patterns, grades, and excused versus unexcused absences will be considered. **A medical excuse is necessary for absences greater than 10 days in a semester and must include an outline of activities allowed. This may or may not allow for the student to proceed to the next grade level as make-up work alone cannot replace presence in the classroom.**

When a student is absent from school, a parent should call the office by 9:00 a.m. each day of absence. Email to the office by this time is also acceptable providing it includes the child's name, grade and teacher. Because we are now required to submit a report on the number of influenza-type illnesses, please state a reason for the absence.

10.2 SNOW OR ICE DAYS

Announcements regarding school cancellations are made on the major local television stations as well as the SchoolWay app (push notification) school website and PowerSchool. Classes are rarely dismissed early due to bad weather. However, parents may pick students up early in order to facilitate a safe return home.

10.3 CLASSWORK AND HOMEWORK

Class work is defined as any assignment that is presented and worked on during class time. Homework consists of assignments that are not completed in class or work that is given as reinforcement. Homework may also consist of projects to be completed within a specific time period.

Class work must be made up immediately following an absence. Students will usually be given the number of days that they were absent to make up work. For example if a student is out two days she/he will get two days to make up her/his work. Students who are absent at the time classroom tests are given should expect to take the test when they return. Students in grades three through eight who are absent are responsible to talk to their teacher to get the work they missed. A parent may pick up her/his child's work after 3:15 by notifying the office by 12:00 noon and giving the teacher sufficient time to gather the work. **Junior High work will be in the Junior High building**

Teachers are not required to give make-up tests or assignments for absences due to vacations. No assignments will be given in anticipation of the vacation.

(Each classroom teacher, with the principal's approval, establishes a written procedure regarding student work. Parents will receive a copy of the procedure to read. Teachers will inform their students of the procedure and discuss it with them.)

10.4 CARE OF SCHOOL PROPERTY

Students will be responsible for the proper use and care of school property such as textbooks, desks, etc. Writing on desks, tables and/or walls is unacceptable behavior. The parent or legal guardian of a student is responsible for the replacement or repair of damaged school property when it is determined that the damage was committed by a student or as a result of negligence on the part of the student. Failure to meet financial obligations may result in the withholding of student records. Students are assigned either a locker or a cubby in which to store textbooks and clothing. Because students and the school are co-tenants, the school has the right to inspect lockers, desks and personal belongings. Lockers may not be locked and should not be defaced inside or out.

10.5 CARE OF PERSONAL PROPERTY

Part-time Preschool Students:

Show and tell is held on Thursdays. Send one item your child can tell about, but please nothing fragile or too large. Please label as "Show and Tell". Please contact the teacher to arrange for special items such as new baby siblings.. No toys may be brought to school other than for Show and Tell.

Full time Students (PreK through grade 8)

Students are responsible for the care and safety of their own personal property. CD players, iPods, Kindles, Nooks or other tablet formats, MP3's, radios, videos and other electronic devices are not permitted at school. No toys of any kind(including sport or other entertainment cards) should be brought to school except for special school-related projects. The school is not responsible for a student's lost, stolen or damaged personal property.

10.6 TEXTBOOK RESPONSIBILITY

All students will be issued textbooks. Parents in grades 3-8 are required to provide a book cover for each book and books should remain covered at all times.

Each student should follow these simple procedures for good care and handling of books:

- No scribbling, drawing, etc. on the outside or inside of books.
- No writing in or on edges of non-consumable books.
- Turn pages correctly.

Students and their parents are accountable for all issued textbooks and can be required to pay for lost or damaged books. Payment for destroyed property must be made by the end of the school year or report cards will not be released.

10.7 BICYCLE AND SCOOTER RULES

Students may ride bicycles and/or scooters to and from school. Students are to park and lock their bikes as soon as they arrive at school. The school is not responsible for lost, stolen or damaged bicycles or scooters.

10.8 LOST AND FOUND

Articles turned into the school office or the Lost and Found box will usually be disposed of at the end of each quarter. Parents are encouraged to mark the student's name on all articles of clothing and supplies. Students are reminded to check the Lost and Found box (located outside the east cafeteria door) every few weeks to see if their misplaced property has been placed there.

10.9 ASBESTOS

In accordance with Asbestos Hazard Emergency Response ACT (AHERA) Christ the King Catholic School has been inspected and subsequently re-inspected for the presence of asbestos as required by law. A management plan was developed for the proper management and maintenance of all hazardous materials. The School employs individuals who have had training in the implementation of the Asbestos Management Plan. These documents are on file in the school office.

11 FIELD TRIPS

Field trips are valuable educational activities that supplement and enhance classroom-learning activities; they are also privileges.

-Written permission by the parent or guardian is necessary for a student to participate in a field trip. Verbal permission cannot be accepted. A form will be sent home. This is the one and only format that may be used to allow a student to leave school during school hours.

-Teachers, in consultation with the administration, reserve the right to restrict or deny student participation on any field trip due to, but not limited to, poor academic performance and/or poor conduct.

-Parents may refuse to permit their child from participating in a field trip by stating so on the proper form. Students who do not attend a field trip will remain at home with the parent and be marked absent for the day.

-No siblings are allowed on field trips.

-The teacher sponsoring the trip is in charge but may ask assistance of parents.

11.1 VOLUNTEER DRIVERS

Drivers are required to provide proof of auto insurance and a copy of their driver's license to the school, as well as completing the Archdiocesan Safe Environment program. They are responsible for all foreseeable risks and are required to use reasonable precautions to prevent injury to students, including having all passengers in the vehicle wear seat belts, driving the posted speed limit, and obeying all traffic laws. **Drivers on school trips should not make unauthorized extra stops or side trips.** As an agent of the school, they are responsible and liable for the students' welfare and are under the direction of the designated school authority. If a student is injured, get immediate emergency treatment for the student, and contact the school office and the parent.

12 EXTRA-CURRICULAR /SPORTS ACTIVITIES

Extra-curricular sports activities are an important part of our school program. Sports activities are structured to encourage participation by all students and are designed to develop physical capabilities, maintain good health, and develop individual and team sportsmanship, good conduct and attitudes.

School parking/facilities should not be used for any non-school sponsored activity without the permission of the Administration.

12 PARTIES AND TREATS/Wellness Policy

What we pledge to do:

1. We will not use candy as a reward.
2. We will renew our request to the cafeteria to increase whole grains, fresh fruits and vegetables and limit fats and sweets whenever possible.
3. Limit birthday celebrations to the classroom only. (please do not send extras—most faculty are watching what they eat and some have health restrictions)
4. We are planning faculty opportunities to increase fitness and ways to increase physical activities during the school day.

We ask that parents to:

1. Birthday treats be limited to the following:

Plain glazed doughnuts

Fresh fruit that is readily eaten (such as bananas, apples, tangerines)

Prepackaged fruit such as apple slices

Individual unfrosted cookies (please no cookie cakes or other cakes) The cafeteria will provide cookies for the class for \$15.00 if you order one week in advance.

Unfrosted cupcakes

Muffins

Vegetables and dips

Granola bars

Crispy cereal treats

***All treats should be easily distributed in individual servings with appropriate **plates/napkins/serving utensils as needed.**

2. **Pre-K through 5th grade** - Please send only enough for your child's class (not grade) and no extra for other teachers, the office, faculty, etc.).
3. **Jr. High** – Students will distribute birthday treats to the whole grade during the lunch period.

Part time preschool students-

A special VIP day is held for the student on their birthday. These are the only days we have a treat at preschool. Please schedule the date for the celebration with the teacher. Summer or half-birthdays may be scheduled anytime during the school year. On the birthday, please send one **nut-free** cookie for each class member. (**no cupcakes**) Parents and guests may attend the celebration if it occurs the first 15 minutes of the class. Don't forget your camera!

Gum should never be included as a part of the treats. Due to permanent damage to carpets, red drinks may not be served. Clear drinks or juice boxes are recommended.

Holiday greeting cards may be distributed in school if all students in a class receive one. Birthday party invitations may be distributed in school if all classmates of the same gender are invited.

For Christmas and Valentine's Day parties are planned by the homeroom volunteers for grades K-5. These parties will be held from 2:15 - 3:00. To celebrate Halloween, a school-wide costume parade for students will begin at 2:15. The end of the year party will be a cookout on Field Day.

14 STUDENT EXPECTATIONS

14.1 CURRICULUM

The Archdiocesan curriculum guidelines, which are consistent and exceed guidelines set forth by the State of Oklahoma, are followed for the teaching of all subject areas.

14.2 ACADEMIC PERFORMANCE

The primary purpose of Christ the King Catholic School is to prepare Catholic students to live effectively in the present as Christian young people, and in the future as Christian adults. Consequently, the academic and spiritual development of students takes the primary position in relation to all other school programs and activities.

14.21 Awards and Honors

Students who take their academic responsibilities seriously and achieve superior grades will be recognized with appropriate awards and honors:

- Students (grades 4-5-6-7-8) who achieve all A's on their report cards will be placed on the "Pastor's Honor Roll."
- Students (grades 4-5-6-7-8) who achieve a combination of A's and B's on report card will be placed on the "Principal's Honor Roll."
-

14.22 Non-fulfillment of academic expectations

Students who choose not to fulfill the academic expectations of Christ the King School also choose consequences:

1. Academic misbehavior (i.e. failure to turn in homework, being unprepared for class, etc.) will be treated as an academic issue. Consequences will be appropriate to the conduct and will be determined and enforced by the teacher. Students and parents will be informed of academic expectations and the consequences of not meeting those expectations by the individual teachers.
2. Continued failure to perform academically will result in academic probation and may include principal, teacher, parent and student conference to

determine action to help the student improve. Students may be asked to find another placement if progress is not reached. Eighth grade students who fail two or more classes for the year will not be allowed to receive a diploma but may participate in graduation activities. Students will need to contact their high school for remediation arrangements and may not return to Christ the King for another year.

14.3 STUDENT CONDUCT

Christ the King students are expected to conduct themselves as law abiding citizens of the community whether on school grounds or off. Any student who chooses to disregard the basic respect, dignity and rights of others in our larger community chooses also to accept possible disciplinary measures from the school administration. The principal has the sole authority to suspend or expel after consultation with the student's parents/guardians and teachers.

14.31 Students who choose to violate school rules, and thus detract from the School community, also choose to accept consequences.

14.32 Minor infractions of school rules and regulations may result in, but are not limited to, the assignment of the following consequences:

- Mandatory restitution
- Time out
- School service
- Lunch detention
- Before/after school detention
- In-school suspension.

14.33 Major disciplinary issues will result in immediate referral to the principal, who will choose the appropriate consequences up to, and including suspension or expulsion. Major issues include, but are not limited to:

- Violence or threat of violence to others (i.e. fighting).
- Damage to or destruction of property, either that of the parish/school or that of another individual (student, teacher, neighbors, etc.).
- Insubordination/disrespect/disobedience.
- Use or possession of drugs/alcohol or other unauthorized substances (including tobacco products).
- Use or possession of a dangerous weapon or dangerous material of any kind.
- Hazing.
- Disruptive classroom behavior of a major or recurring nature.
- Harassment, including sexual harassment, bullying, etc.

In the event of a student's violation of local, state or federal law, the principal reserves the right to notify law enforcement authorities.

14.34 OFF-CAMPUS CONDUCT

The administration of Christ the King Catholic School reserves the right to discipline its students for off-campus behavior and/or behavior outside of school that causes scandal and is inconsistent with the moral and behavioral expectations established by Christ the King Catholic School.

14.35 CHEATING

Cheating of any type will not be tolerated. Students who choose to cheat or assist others in cheating face a failing grade, detention, or suspension. Repeated incidents may lead to expulsion.

15 DISCIPLINE PLAN

The classroom teacher has the responsibility of maintaining discipline in the classroom. Each teacher will set her/his own classroom rules and send the rules home with her/his students for parents to review and sign. The teacher's primary objective is to define and communicate expectations. The teacher will handle minor infractions of school rules. When necessary, the teacher may refer students to the principal.

15.1 DETENTION

Detention may be issued for a breach of classroom and/or school rules. Parents will be notified by phone or in writing of a student's detention. The day, date and time of the detention are at the discretion of the Principal. Detention takes precedence over appointments, practices, lessons, ballgames, etc.

15.2 EXPULSION

Expulsion is an extremely serious matter. Students who pose a threat to themselves or others may be expelled from Christ the King Catholic School. Students who have been expelled will not be allowed to return to the school without prior permission of the principal.

15.3 SCHOOL – HOME PARTNERSHIP

Parents and teachers must be in a partnership for the school to successfully educate the students who are enrolled. Parents can expect to be treated with respect at all times and, when concerns arise, have access to teachers and administrators at mutually convenient times.

Teachers and administrators can expect to be treated with respect at all times and, when concerns arise, have access to parents at mutually convenient times.

Parents who have a concern should first contact the teacher directly. If a satisfactory solution is not reached, then a three-way conference of parent-teacher-principal will be scheduled. The student will be involved in most conferences and problem-solving decisions. This will enable the student to take ownership of his/her education, conduct, and choices.

A strong, cooperative partnership between home and school is an essential ingredient in effective education. The best interests and needs of the student remain paramount, yet must be balanced against the good of the community. As a partner in the process, the student is afforded the best possible educational experience.

Christ the King Catholic School recognizes the importance of the role of parents as the “first teachers” of their children. With this awareness, the relationship between student, parent and school is crucial. All parents, students and faculty members must sign the Code of Conduct found in the Appendix of this handbook.

16 TESTING

16.1 STUDENT SERVICES

Referral testing will be recommended for students who may be experiencing academic or emotional difficulties. This testing, done with parental permission, will help the school accommodate the needs of the student.

17 GRADING

17.1 GRADING SCALE

The following grading scale is used to identify student mastery levels of skills and knowledge. It has been adopted for grades 3-8 as a result of extensive involvement of the principals and teachers throughout the Archdiocese of Oklahoma City. It is used on daily assignments, tests, and report cards beginning in the second semester of first grade through eighth grade.

A	(100% - 93%)	Excellent
B	(92% - 85%)	Achieving above the expected levels
C	(84% - 75%)	Performing at expected levels
D	(74% - 69%)	Performing below expected levels
F	(68% and below)	Unsatisfactory

Letter grades are not necessarily given on every assignment, but the percentages are computed according to the above scale.

Students in grades Pre-school through 2nd grade receive a checklist of progress toward meeting various skills.

18 ACADEMIC COMMUNICATION

18.1 PARENT-TEACHER CONFERENCES

Conferences offer a major advantage over most written reports in that they make possible two and three-way communication. For Part-time preschool students, conferences are in the fall by phone and in February. For all other students, these are held at the end of the first nine weeks of the school year to discuss the student's report card and general progress. Additional conferences may be scheduled on an individual basis by teachers or as a result of parent requests.

18.2 GRADES/REPORT CARDS

With the adoption of the PowerSchool program, parents are encouraged to monitor progress regularly. Teachers will be recording grades at least once a week after the first month of school. Report cards will be sent each quarter. These reports will be sent home with the students or mailed. Please note that mid-term reports will not be sent home since grades will be accessible on-line.

18.3 PROMOTION AND RETENTION

A student shall be advanced to the next grade level at the discretion of the principal, in light of the teacher's recommendation based on a student's daily performance, test results, and the ability to complete work successfully on a more advanced level. Consultation with the parents/ guardians and the student will take place, if appropriate. Such decisions shall be based on a total evaluation of a student's growth in all areas of development.

For retention of a student, three elements are necessary:

1. Recommendation of the teacher.
2. Approval of the principal.
3. Approval/consent of the parents/guardians.

If both principal and teacher feel that retention is appropriate but the parents/guardians do not, then the student will be "transferred" to the next grade. However, the parents/guardians must state in writing that they do not accept the school's recommendation and that they accept responsibility for the outcome. The letter will be placed in the student's permanent file. Additional testing or evaluation may be suggested to assist with the decision. The Administration reserves the right to require placement in another school if deemed in the student's best interest. Should the same recommendation be made in any subsequent year, placement in another educational setting (in another school) will be required. **At the junior high level, retention will be recommended if a student fails two or more core subjects. At this age level, students who do not progress will be asked to find another school placement. Any eighth grade student who fails two or more core subjects will not receive a diploma.**

19 EIGHTH GRADE HONORS

The Gerald K. Mayfield Memorial Award is also given to one boy and one girl “in recognition of outstanding Christian attitude and service.” The Pastor, Administration, and staff consider the Christian leadership and service given by the student throughout his/her school career at Christ the King.

20 SPECIAL PROGRAMS

20.1 ACADEMIC COMPETITIONS

Christ the King Catholic School participates in area academic competitions throughout the school year. These events have a teacher sponsor. Parents may be requested to accompany students to these events and to serve as additional sponsors. Events/competitions may include science fairs, spelling bees, geography bees, etc.

21 LIBRARY/MEDIA CENTER

Christ the King School has a media center and collection of print and non-print instruction/learning materials. The print and non-print educational media materials are available to meet varied needs and to stimulate the interest of the students and staff of the school.

Library materials are to be returned on time and in good condition. The student must pay for damaged or lost books before any other material may be checked out. Students with lost or damaged books do not receive report cards until their account is cleared. Students are expected to adhere to all Library/Media Center rules and regulations. The library is a place of study and research, and as such, all users should be respectful of one another's time and work.

22 LUNCH PROGRAM

To promote good eating habits and manners, the cafeteria is considered a classroom. Students in grades 3-8 sit at assigned tables which are changed periodically. A balanced nutritious lunch is served daily in the cafeteria. All students may purchase lunch or bring a lunch from home. **Additional items for purchase may be available for grade three through eighth grade students.**

A tray lunch consists of a main item such as a sandwich, fruit or vegetable, a drink, and a dessert.)

The hot lunch tray and the lunch package are assigned a set price per meal. **If a student does not have money in their account, they will be allowed to call home.** Additional milk or water can be purchased. On Spirit or Jeans Day Fridays, all students may purchase ice cream except during Lent.

The following procedures and rules should be observed by all students:

23 PARENT/COMMUNITY PROGRAMS AND ORGANIZATIONS

23.1 PARENT TEACHER ORGANIZATION

One of the primary purposes of the Parent Teacher Organization (PTO) is to provide a forum in which open communication within the school community can be fostered. The PTO offers parents an excellent opportunity to learn more about all phases of the curricular and extra-curricular activities of Christ the King School. It is vital that all parents participate actively in this organization so that both home and school are united in their efforts to further the development of each individual student. **All parents are required to complete volunteer requirements as set by the Parent Teacher Organization (PTO).**

Any employee or volunteer shall be eligible for dismissal if found in possession of any weapon on school grounds, at any school function or at any school sponsored activity.

24.3 HARASSMENT/BULLYING

It is the policy of Christ the King Catholic School that harassment in any form is unacceptable conduct and will not be tolerated. This policy applies to all teachers, staff, students, parents, and visitors.

Sexual harassment refers to unwelcome and offensive conduct of a sexual or gender based nature. Prohibited conduct includes requests for sexual favors and other physical or verbal conduct when submission to such conduct may be construed as a condition of employment or used as the basis of employment decisions affecting the individual. Prohibited conduct also includes conduct creating an intimidating, hostile, or offensive environment. This policy applies to activities that may occur either at school or a school-sponsored function or electronic communication means “Electronic communication is defined as the communication of any written, verbal or pictorial information by means of an electronic device, including but not limited to a telephone, a cellular telephone, or other wireless communication device or a computer.” No person has the right to post or distribute pictures of the school setting without permission of the administration.

Any individual who believes she/he has been at the victim of harassment by any person connected with Christ the King Catholic School should immediately report the matter to the Principal. The Principal will report the complaint to the Pastor immediately, and the Principal will promptly investigate the complaint. The person who believes she/he is the victim of sexual harassment will be asked, but not required, to document the specific conduct and witnesses, if any.

Christ the King Catholic School has the duty to discuss the charges with the alleged perpetrator as soon as possible after the complaint is made.

After investigating, the Principal will take prompt and appropriate action. Any teacher or staff employee who is determined to have engaged in sexual harassment will be subject to disciplinary action, up to and including termination of employment. Any student who is determined to have engaged in sexual harassment will be subject to strong disciplinary action, up to and including expulsion from school. Any visitor or parent, determined to have engaged in sexual harassment may be prohibited from entering the school building and grounds in the future, and may be prohibited from participating or attending school activities.

The person accused of harassment is strictly prohibited from retaliating against the individual who registered the complaint, whether or not harassment can be confirmed.

Harassment includes sexual harassment, intimidation and bullying. Any action based on lack of respect for others, including sexual and physical abuse, and the creation of a hostile environment by students, faculty, and/or staff is unacceptable. Harassment, intimidation, and bullying means any gesture, written (including electronic messages) or verbal expression, or physical act that harms a student, damages another student's reputation or property, or places another student in reasonable fear of harm. Harassment includes insulting or demeaning any student or group of students in such a way as to interfere with the school's educational mission or the education of any student.

These include but are not limited to: religion, race, color, national origin, age, sex, sexual orientation, disability, height, weight, socioeconomic status, or any other distinguishing characteristics. All such acts are not acceptable at school, on school grounds, school-sponsored activities, or at school-sanctioned events. All complaints will be investigated and appropriate action will be taken.

24.4 ELECTRONIC RESOURCES - ACCEPTABLE USE POLICY

24.41 PURPOSE

Computers are valuable tools for education and one of this school's purposes is to encourage the proper use of computer related technology including the Internet. Students and all users of computer technology have a responsibility to use these tools properly and in accordance with the policy below:

24.42 GOALS

To provide a variety of electronic tools to help students and teachers develop the ability to evaluate and synthesize information from a variety of sources and enable them to work effectively with various computer/communications technologies.

To encourage critical thinking and problem solving skills (needed in an increasingly electronic and global society.)

24.43 RESPONSIBILITIES OF USER

With right of access to a resource comes the responsibility to use the resource both correctly and wisely. Along with access to computers and people all over the world, also comes the availability of some material that may not be considered to be of educational value within the context of the school setting. Monitoring and controlling all such material is impossible. Christ the King School will instruct students on the proper use of the Internet for educational research. However, on a global network such as the Internet, it is impossible to control the content of all available materials, therefore:

- Any and all use of the network must be consistent with Christ the King Catholic School's purposes of supporting education and research.
- In addition to internal school regulations, there are federal and state laws that apply to such use. Christ the King Catholic School firmly believes that the valuable information and interaction available on this worldwide network far outweighs the possibility of users accidentally procuring material that is not consistent with the educational goals within our school. In addition, Christ the King Catholic School has installed a web-filtering product on its network to help ensure users do not gain access to inappropriate content.

24.44 GENERAL GUIDELINES FOR USE OF THE INTERNET

- All users are required to take simple Internet training (how to sign on, log off, etc.) from the technology coordinator/director or his/her designee.
- Only users who have completed training and have parental permission may use the school's computers to access the Internet.
- No user will trespass in another's folders, work, or files.
- Student use of the Internet is limited to those who have a clear need for research and upon teacher recommendation. Use may be limited, if necessary. Use of non-educational chat room and social networking sites are prohibited.
- Transferring copyrighted material to or from a diocesan school without express permission of the owner is a violation of Federal Law. The user is deemed responsible to see that this doesn't occur.
- Use of electronic mail and other Internet facilities to harass, offend, or annoy other users is strictly forbidden.
- E-mail will be restricted to school-provided accounts only.
- Any attempt to circumvent system security, guess passwords, or in any way gain access to secure resources, is forbidden.
- School use of the Internet and network systems for commercial or personal gains or profit is not allowed.

- Users will not move, repair, reconfigure, modify, or attach external devices except flash drives to the systems.
- The system administrator, the principal, and faculty have the right to monitor all activities.
- Installation of freeware, shareware, or other software, including personal software is prohibited.
- Personal disks may not be used in school computers without the supervising teacher's permission.
- Additional rules and restrictions may be added at any time.
- Parents should be aware that most social networking sites do not permit participation at any time by any student under 16.

24.45 USER NETIQUETTE

- For reasons of personal safety, users will NEVER post or share with anyone, especially strangers, personal contact information about themselves or other people. This may include last name (student), address, telephone number, school address, etc.
- Users will not access material that is profane or obscene (e.g. pornography) or that advocates illegal acts, violence or discrimination towards other people.
- Users will not plagiarize works they find on the Internet. Plagiarism is taking the ideas or writings of others and presenting them as if they were one's own.
- Users will not use obscene, profane, lewd, vulgar, rude or threatening language, nor will they, through means of the Internet, harass or annoy any other users.
- Users will not knowingly or recklessly post false information about any person or organization.
- Users will not make deliberate attempts to disrupt computers or their systems, or destroy/modify data by spreading computer viruses or by any other means. These actions are illegal.
- The illegal downloading of copyrighted software for use on home and school computers is prohibited.

24.46 ACCOUNTABILITY

All users should be prepared to be held accountable for their actions and for the loss of privileges if the terms and conditions of acceptable use are violated. Consequences can include: restricted network access, loss of Internet use, loss of use of school computers, disciplinary or legal action including but not limited to suspension, expulsion, termination, and/or criminal prosecution by the school or other involved parties under appropriate state and federal laws.

Blogs/Instagram/Texting/Sexting- Engagement in online blogs such as but not limited to MySpace.com® and Facebook® may result in disciplinary action if the content of the student or parent blog includes defamatory comments regarding the school, faculty or other students. Students should at no time be involved in texting during the course of the school day. If this is not followed, students will face detention, suspension/and or expulsion. Students involved in the possession or transmission of inappropriate photos on their cell phones or other electronic devices also face detention, suspension/expulsion. **THESE RULES CAN APPLY TO IN AS WELL AS OUT OF SCHOOL BEHAVIOR.**

SPECIAL NOTE FOR JR. HIGH STUDENTS USING SCHOOL PROVIDED LAPTOPS: The use agreement to be signed by both student and parent are binding and become part of this handbook and therefore part of the parent contract.

Violation Of These Rules May Result In Any Of The Above Consequences.

Christ the King School makes no warranties of any kind, whether expressed or implied, for Internet and technology service. Christ the King School will not be responsible for any damage suffered. This includes loss of data resulting from delays, non-deliveries, or service interruptions caused by negligence, errors or omissions. Use of any information obtained via the Internet is at the user's risk. Christ the King School specifically denies any responsibility for the accuracy or quality of information obtained through its network services. Christ the King Advisory Council or the Archdiocese of Oklahoma reserves the right to amend this policy.

24.5 GRIEVANCE POLICY

Any concerns should first be addressed with the teacher or person(s) involved. Only if this does not resolve the issue, the assistant principal or principal should be consulted. If the issue remains unresolved, the pastor may be consulted but his decision in the matter is binding.

25. CRISIS MANAGEMENT PLAN

Christ the King Catholic School has a comprehensive plan to follow in the event of an emergency. Fire, tornado and lockdown drills are conducted during the course of the year in compliance with Archdiocesan requirements. Evacuation routes are posted in each classroom. Students are to move to the designated areas quickly but quietly and orderly. The tornado shelter is located in the basement of Christ the King Church. In the event of danger at dismissal time, students will not be released until the "all clear" signal is sounded.

26 RIGHT TO AMEND

Christ the King School reserves the right to amend this Handbook. Notice of amendments will be sent via newsletters and will be posted at www.ckschool.com.

27 Christ the King Catholic School Code of Conduct

This code is to be signed by all students, parents/guardians, staff, faculty, and administrators as an indication of their acceptance of and adherence to the contents written in the code and as a condition of admission to the School.

Students, parents/guardians, staff, faculty, and administrators are all members of the Christ the King Catholic School community. We base the development of our community on compassionate, fair, responsible, and respectful treatment of each community member. We are all members of one Body, the Body of Christ. It is essential that we live our motto “Where everybody is somebody and all live for God”.

Our Community should commit to the following ideals:

- Catholic schools are to be communities of love, freedom, and service.
- Catholic schools are to inspire hope by encouraging the growth and affirming the worth of each person.
- Catholic schools are to celebrate learning illuminated by faith and informed by Christian wisdom.
- Catholic schools are to assist students in interpreting social and human relationships in the light of the social teachings of the Church.
- Catholic schools are to encourage the spiritual growth of staff, faculty, and administrators and foster the gift of eternal spiritual youth.

Christ the King Catholic School is dedicated to providing and enhancing a Catholic community of learning in which students will be afforded reasonable opportunities to achieve their potential in spiritual, moral, academic, intellectual, physical, and social development. It is the community’s expectation that all members will respond positively to this dedication and act accordingly.

Our Christ the King Catholic School Community has the following expectations:

For Students

- to attend school regularly and conform to the rules and policies of Christ the King Catholic School as listed in the Parent-Student Handbook,
- to participate willingly in their own learning,
- to respect other’s safety, well being, and property,

- to be accountable for their behavior and responsive to related consequences,
- to participate in creating a safe, positive environment conducive to learning.

For Parents/Guardians

- to support their child(ren) in regular and punctual attendance at school,
- to conform to the rules and policies of Christ the King Catholic School as listed in the Parent-Student Handbook,
- to participate in creating a safe, positive, learning environment at their school,
- to extend their exemplary Christian behavior to all off campus, extracurricular, school related activities such as, but not limited to, athletic events and field trips,
- to work and cooperate with the faculty member and administration to resolve concerns involving their child(ren),
- to satisfy all financial expectations to Christ the King Catholic School.

For Staff, Faculty, and Administrators

- to participate in creating a safe, positive environment conducive to learning,
- to conform to the rules and policies of Christ the King Catholic School as listed in the Parent-Student Handbook,
- to inform their students of classroom discipline practices which utilize reasonable, related, and respectful consequences,
- to model, teach, and reinforce appropriate behavior.

As the primary educators of their children, parents/guardians are models for the development of their child's life spiritually, morally, academically, intellectually, physically, and socially. By choosing Christ the King Catholic School you have shown a serious commitment to help your child recognize God as the greatest good in his/her life.

Neither parents nor teachers, as partners, can afford to doubt the sincerity of the efforts of their educational partner. Each partner should encourage the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect for all authority.

If there is an incident at school involving your child(ren), parents/guardians must make investigation of the complete story their first step. This involves first contacting the teacher as part of the investigation. Evidence of mutual respect between parents and faculty will model positive, mature behavior and relationships. Students, parents/guardians, faculty, and administrators are strongly encouraged to invest themselves in collaborative approaches to the resolution of behavioral concerns.

Partners should protect people's good names. It is often too easy to mistake opinion for fact. Differences of opinion and personality clashes cannot be resolved by slander. To resolve an incident involving your child(ren), a parent/guardian must first contact the faculty member of record. A meeting, which includes the student, parent/guardian, and faculty member, will be arranged to present and settle the incident. A second meeting of all partners with the addition of the principal will be scheduled, if a solution is not reached. If a solution is unattainable after this meeting, the principal will make a decision to resolve the matter at his/her

discretion. This decision is binding and may include, but is not limited to, removal of the student involved from the school. (See section 15.13 in the Parent-Student Handbook or see Section 15.13)

Students who make poor choices need both understanding and discipline. Discipline is a set of skills that allows for effective learning; it is not punishment. It enhances self-knowledge, self-esteem, and self-confidence. Discipline is part of the teaching-learning process which promotes the development of integrity, accountability, personal ethics, and self-management.

It is essential that a student take responsibility for the grade he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and any other assignments as indicated in the Parent-Student Handbook. This responsibility also extends in time of absence.

Any conduct contradicting this code could result in the need for the party involved to reconsider their membership in the Christ the King Catholic School Community.

Contradiction of this code includes, but is not limited to, behaviors such as:

- Verbal, physical, or emotional abuse of faculty or administrators, students or other parents including via electronic media.
- Failure to comply with the rules and policies of Christ the King Catholic School as set forth in the Parent-Student Handbook.
- Failure by parents/guardians to meet financial obligations.

Parents/guardians and students who fail to follow the Code of Conduct for Christ the King Catholic School will be sent a letter from the principal documenting their failure of compliance. Any subsequent failure in compliance with the code will result in a meeting between the principal and parents/guardians. This meeting will outline potential consequences if further violations occur.

A third violation of the code dictates removal from the school at the discretion of the pastor upon his notification by the principal. Other, more serious violations, can result in removal upon the first violation of the code due to the severity of the action (as indicated above and in the Parent-Student Handbook).
