**RE: Optional Winter Uniform Updates**

Dear Parents:

By popular request we have decided to make the “*optional*” white banded shirt available to both **boys and girls** during the winter months at **both campuses**.

**Please note that for girls, the white banded shirt may only be worn with the kilt or slacks.**

Since the white banded shirt does not fit well with the elementary school jumpers, Flynn & O’Hara is making available a **white turtle neck** to pair with the girls’ jumper during the winter months. **The turtle neck may only be worn under the jumper and will be available for girls only at the elementary campus.**

Please note these winter uniform updates remain **optional**.

Yours truly,

Joanne LoFaso, Ed.D.  
Principal
