There is absolutely no cost to you; you pay exactly the same price as you would otherwise pay for your purchases. Amazon pays the cost to administer the program and donates the entire 0.5% value to our foundation as your designated charity.

So how can you set this up? There is no need to create a new account or change your password. Simply sign into Amazon via the **smile.amazon.com** portal, indicate the Foundation as your preferred charity, and do your regular shopping. *Thank you for your support!*
