Access Creates Opportunity

May 22, 2020

Dear PS 154 Families,

As the warm spring weather continues, we hope you are all staying healthy and safe while also being able to enjoy a bit of outdoor time. We are beginning our ninth week of Remote Learning and would like to share some updates and important information with you. As always, thank you to all of our amazing families for their ongoing support, collaboration and open communication

- **Memorial Day – No School:** Monday, May 25, 2020 is recognized as a national holiday. There will not be any remote learning scheduled during that day. Google Classrooms are always available for students to visit if they would like to continue to work on assignments, however, staff will not be available during this day. We encourage you to enjoy the day off with your family!
- **Parent Meetings:** Next week is a shortened week, and we will have a revised schedule for our parent meetings. Both of our meetings will be held on **Thursday, May 28th**. Please join us using the **Zoom** platform as we will be discussing **iReady**. You can access Zoom by visiting the website: <https://zoom.us/> and clicking to join a meeting. You will then enter the meeting ID and password listed below for each session.
 - Conversation with Administration – Thursday, May 28th at 10:00am. You can join the video conversation using [Zoom](#). Please enter the meeting ID **872-2585-3245** and password **020071**
 - Conversation with Mr. Mario – Thursday, May 28th at 3:30pm. You can join the video conversation using [Zoom](#). Please enter the meeting ID **814-0668-7781** and password **6NcvLk**.
- **P.S. 154 Remote Learning Survey:** Please let us know how we are doing and how we could be of support to you. We have created our own remote learning survey. Please take sometime to complete the survey. We appreciate your feedback. [P.S. 154 Parent Survey](#)
- **Technology Support:** As the DOE has been committed to ensure that all students have access to technology, some families have been experiencing technical issues. We are here to help you work through those issues. However the DOE has created a Technical Support for Families Page as well to address concerns that we might not be able to fix. The website is: [NYC DOE Technical Support for Families Page](#)
- **Requesting Technology:** If you are still in need of technology, you can request at **1-718-935-5100** and **choosing option 5** or by visiting the following website: [Remote Learning Devices](#)

As always, please visit our school website, www.ps154queensny.org or email us at 25Q154@schools.nyc.gov for up to date information and for anything that you might need.

Be well!

Ms. Gathers-Bullard and Ms. Foulkes
