 - Prior to school closing, we were able to distribute 37 laptops to students in our school. If there are families in need of technology, the DOE has put together an online and phone survey for parents to complete requesting a loaner device.
- ❖ School Website
 - Joanna, Mario and I have been coordinating to make sure that the school website is up to date with important information such as:
 - DOE Technology Survey
 - Parent Letters
 - School Survey
 - DOE COVID 19 information and links
 - Teacher's email
- ❖ Student Attendance
 - Each School Aide along with our Family Worker is assigned a grade. They make phone calls home each day to make sure each student is accounted for. If we are unable to get in contact with a student, there information is forwarded to our attendance teacher Karen Elfant.
