Quote of the Week Three from Muhamad Ali	<p>“I hated every minute of training, but I said, ‘Don’t quit. Suffer now and live the rest of your life as a champion.’”</p> <p>“If they can make penicillin out of moldy bread, they can sure make something out of you.”</p> <p>"A man who views the world the same at 50 as he did at 20 has wasted 30 years of his life.”</p>
