Dear Uniondale Parents,

Thank you for supporting your children during the District's transition to online instruction by ensuring that they have the technology device needed and are therefore actively engaged in the learning process. As a reminder, your child/children may be involved in synchronous (live chat) instruction during the time school is closed. Please be reminded that your child has the option to participate in these lessons with or without the use of their cameras.

Additionally, we would ask that every family respect the privacy of other scholars by, and to the extent possible, accessing learning from a private location. Specifically, if parents and family members are in proximity to scholars engaged in learning, they should not view any other scholar's personally identifiable information.

We pledge our continued support to you and your children during this instructionally challenging time. As always, please feel free to reach out to your child's teacher or members of their administrative team should you need information or assistance.

In Service for Children,

Rhonda Taylor
