Dear Uniondale Community,

Happy New Year!

I am writing as a further follow-up to my messages to you on September 24 and October 2, 2019 regarding allegations of misconduct by a District Staff member. As I previously informed you, the District's investigation and the investigation by the Nassau County Police Department (NCPD) did not uncover evidence to support the allegations. The District was recently informed that the NCPD has now reviewed all outstanding evidence, has concluded its investigation and is closing its file on this matter. The District similarly considers this matter closed and the allegations unsupported.

Thank you for your support as we continue to put the safety and security of our scholars, staff and community first.

Very Truly yours,

Dr. William K. Lloyd  
Superintendent
