Welcome to Marie Curie! We have missed our students and cannot wait to welcome them back into the school building! We know that this year might look a little different and are sure you have some questions. Here are some answers to questions that topped the list of most frequently asked. If you still have questions you can always speak to Ms. Polizzi, our Parent Coordinator for help Mpolizzi@schools.nyc.gov (718)-423-8100 ext. 1133.

How are students broken up into groups?

- ❖ All students were assigned a cohort that they will be following for the beginning of the school year. The cohorts are labeled A,B,C or D. If you are in cohort A,B or C you will be coming into school two days out of our six day cycle. If you are in cohort D you will be taken classes remotely.

How long is the school day?

- ❖ Our school day will begin at 8:30am and end at 2:00pm for all students both in school and remotely.

How do I know which cohort is in school on each day?

- ❖ A weekly email reminder will be sent out on Fridays for the upcoming week. You can also see the most up to date calendar information on our school website. We will post outside of school each day a poster to remind students which cohort should be in school on that day.

Where do I line up in the morning?

- ❖ Each grade level will have their own entrance into school. At each entrance there are colored paw prints for students to stand on to keep socially distanced while waiting to enter the school building.
 - 6th Grade- enters on Oceania Street and 46th Road
 - 7th Grade- enters on 47th Avenue and 210th Street
 - 8th Grade- enters on 46th Avenue- through the school yard

What if a student forgets their mask?

- ❖ We will have masks for students if they forget at each entrance. If something happens to their mask throughout the day, we will happily provide a new one to them.

What will it be like when students enter the school?

- ❖ At each entrance there will be adults to help guide students to their classrooms. An adult will be taking every student's temperature as they enter the building. No worries though! Just lean forward a bit and sweep your hair to one side. It's painless and quick! As students enter the building they will be asked to use the hand sanitizer station as they go to their classroom for homeroom. Once they reach their classroom they will then use the hand sanitizer station again.

Can students still get breakfast in the morning at school?

- ❖ At each entrance there will be a grab and go style breakfast for any student who would like one. Students can eat their breakfast during homeroom.

What happens during homeroom?

- ❖ During homeroom students attendance will be taken and announcements will be shared with the class. The announcements will also be available on the school website for students to review at their leisure.

What happens if I am late to school?

- ❖ No worries! Although we want everyone to be on time to school we know things happen. Please come through the main entrance of the school so we can help you get yourself settled and ready for class.

How is lunch going to work this year?

- ❖ This year we will be eating our lunches in the classrooms. Students may bring their own lunch with them or they can get a cold school lunch. During a designated period students will be given time to eat as they continue learning.

How are we going to be dismissed from school?

- ❖ Each classroom will be assigned a specific exit to use for leaving the school building. At different times groups of students will be escorted to the exit in order to maintain social distancing. Please see the chart below for which exit your class will be leaving from. Mom and Dad this is where you can pick up your child from on the days they are in the school building. 😊
