

**MEDFORD LAKES SCHOOL DISTRICT
APPLICATION FOR INCLUSIVE PRESCHOOL
2018-2019**

Dear Parents/Guardians,

Medford Lakes Public Schools invites you to apply for their Preschool program to be held at Nokomis School for the 2018-2019 school year. The program is half-day, 5 days per week and follows the Curiosity Corner curriculum, one of the five approved programs used in the state of New Jersey. Curiosity Corner provides a developmental approach emphasizing language and literacy, as well as physical, emotional and interpersonal development, math, science, social studies, music, movement, and art. The literacy-focused, problem-solving program provides teachers and children with structured thematic units that include concrete, interactive experiences with detailed instructions and materials. Effective instruction is built around the concept of cooperative learning within a carefully designed and supportive structure.

An inclusion program serves children who are typically developing and children with special needs, in a general education classroom, with services delivered programmatically in the natural classroom environment. For more information about NJDOE preschool curriculum, go to:

<http://www.state.nj.us/education/ece/curriculum/curriculum.htm>

The current tuition is \$3,000.00, and is subject to change. Children will be selected on a lottery basis, if necessary. No transportation will be provided. We are looking for typically-developing students who turn four by October 1, 2018 and are toilet trained.

To apply for this program, complete the form below and please return by March 23, 2018 to the **Child Study Team Office** at **Neeta School, 44 Neeta Trail, Medford Lakes, NJ 08055**. Notification of acceptance will be made by March 29, 2018. Please contact, Dr. Michael Lee, in the CST office at 609-654-5155 x154, if you need further information.
