Complete lessons 1 through 4.

Additional work will be posted on Google Classroom. Students were instructed on how to login and complete the work.

Living Environment:

Work will be posted on Google Classroom.

Sample Bio Poem

Laura

Dedicated, creative, caring

Lover of black cats, great books, and warm
chocolate chip cookies

Who wonders if there is life on other planets

Who fears that we may be destroying our
own planet

Who feels happy and peaceful when she's
kayaking the Lumber River

Who cares about rain forest animals and
plants losing their homes

Who dreams of hiking up beautiful mountains
in far away places!
