

Náshdóitsoh Dress Code

This dress code is designed around two ideals:

- 1- A safe environment for students- if gang affiliation is being displayed the clothing will be asked to be changed or removed (REGARDLESS OF THE CLOTHING BEING IN THIS CODE OR NOT)
- 2- Displaying respect for the school and its academic environment. This is a learning institution, learning comes first.

General rules: **no blue (any shade of blue) or red colored clothing will be allowed** (EXCEPT FOR BLUE JEAN DENIM). All clothing will be clean and presentable.
