PHOTOGRAPHY AND INFORMATION – REFUSAL ONLY

Each year, we at the Pocantico Hills Central School District look forward to sharing and publicizing our students' many enriching experiences with you and others. These might come in the form of print or electronic newsletters, District publications, news articles, promotional materials, postings on websites, or features on the District app, to name a few. To bring these experiences to life, photographs of our students "in action," either as part of a whole class, a group, or alone, are often included, just as you've likely seen in prior publications.

Last year, 100% of our families allowed us to include their child/children in pictures – thank you!

To continue allowing photographs, stop here and recycle this paper – there's nothing you need to do.

However, only if you **DO NOT** grant permission for your child's likeness to be used in support of the mission of Pocantico Hills, please complete the form and return it to the main office.

I **DO NOT** grant permission for my child/children, listed below, to be photographed as indicated above.
