August 2018

Dear Parents,

Although NYS requires Health Examinations for the following grades: Pre-K or K, 1, 3, 5 and 7, they are also needed for sports participation for grades 7 & 8. I would also love to have copies of any other health examinations done for the non-mandated grades!

Please remember that students entering Grade 6 must have a Tdap booster when they turn 11.

**Grade 7 students must have the Meningococcal vaccine in order to begin school!**

Thank you and have a great rest of the summer!
