

## BECOME A CLASS PARENT

Pocantico's class parents rock! Want to be one? Volunteering to be your child's class parent is a great way to get involved, to contribute to the class and help the teacher, to promote Pocantico's positive spirit, and to get to know other parents. Access to email is essential. We ask class parents to attend PTA meetings to stay informed.

Create fliers or emails to inform parents about various activities and requests throughout the year

Organize class parties, meetings and information nights

Collect family contact information and maintain the class contact list

Circulate notices about fundraisers

Organize collective class gifts for your teacher for the holidays and end of school year

Help welcome new families in your class
