September 2020

Dear Parents/Guardians of AP Students:

I am writing to share information regarding AP Exams at Nyack High School. During the first few days of school, students should have joined their teacher's AP section(s) online using specific join codes that teachers made available. Exam ordering in October will be based on those student registrations.

The College Board has set the 2021 exam fee at \$95 per exam. Payments may be made online via My Payments Plus (www.mypaymentsplus.com). The window for payments will be open September 14 to October 27. If you prefer to submit a check (made payable to "Nyack HS") or cash, those payments should be submitted directly to Ms. Post in my office. In-person payments will be accepted during our lunch period, from 10:30-11:14 AM daily once hybrid learning begins on 9/29. Please note that the College Board charges a fee for late registration of \$40 per exam (for a total of \$135 per exam ordered late). Registrations made after November 1 will be considered late.

If the School Food Authority has determined that your child is eligible for free/reduced meals, AP fees will be covered by a combination of College Board and Nyack School District support, and there is no AP fee payment due. No other financial aid options are available, and no multi-exam or multi-child discounts are offered.

Historically, AP Exams have been administered at Nyack's Central Office, and transportation from Nyack HS to the Administration building (and back) is provided (students may not drive themselves as parking is not available). Buses leave Nyack HS at 7:40 for AM exams and 11:40 for PM exams. In May 2020, all exams were offered in online format only due to Covid-19 restrictions. College Board indicates that in 2021, AP Exams will cover the full scope of each course and support in-school testing. The AP Program will provide details in early 2021 about a contingency option if schools again need to close in May because of safety concerns. AP teachers will keep students informed of any and all developments in this area.

Please contact me if you have any questions, or would like more information.

Sincerely,

George Teasdale
Assistant Principal/AP Coordinator
