May 11, 2020

Dear Parents/Guardians of Seniors:

We are moving ahead with our planning for a virtual graduation ceremony for the Class of 2020, while simultaneously considering a number of other methods to provide our seniors with appropriate recognition. Student emails have been uploaded to the virtual system being utilized (called Marching Order), and your child will be receiving a message to their school email address to begin the process. Emails will be sent from [graduation2020@nyackschools.org](mailto:graduation2020@nyackschools.org) and [graduation@marchingorder.com](mailto:graduation@marchingorder.com). Please remind your child to check their school email account regularly for this information and subsequent updates.

Once students have completed their initial registration, they will be able to upload a photo and text to their personalized slide, and to upload a short video clip as well. These items will be compiled and edited and form the procession phase of the virtual graduation ceremony. The ceremony will be hosted online in June. More information will be released as we move through this process.

Thank you for your continued partnership in the education of our students. We miss them, and are proud of their resilience and perseverance.

Sincerely,

Ms. Nicole Saieva  
Principal
