June 3, 2019

Dear Parent/Guardian:

Although the memory of your child taking his/her first step onto the school bus is probably still vivid in your minds, we have been planning several end of the year activities. On June 14th, at 8:00am our seniors will participate in several activities. One activity planned for the morning is a driving simulation experience. Specifically, the students will have the opportunity to drive a golf cart through a course while wearing goggles designed to impair their vision. The Clarkstown Police will assist the high school staff and members of SADD to ensure that this is done orderly and safely.

If you would like for your child to participate in the experience outlined above, please sign the permission form below and return it to the main office. Please contact us if you have any questions or concerns.

It has been a pleasure to work with you and your children.

Respectfully,

Nicole Saieva
Principal

I give my son/daughter _____ permission to participate in the driving simulation experience at Nyack High School on June 14th.
