Dear Families,

Breast cancer is the most commonly diagnosed cancer among American women. About 1 in 8 U.S. women will develop invasive breast cancer over the course of their lifetimes. As of 2015, there are 2.8 million women in the U.S. with a history of breast cancer.

On Friday, October 18th, we will be supporting Breast Cancer Awareness by encouraging all staff and students to wear pink on this day to help raise awareness. We will be distributing pink bracelets to all students in Pre-Kindergarten to Eighth grade on Thursday for this special occasion. Students are encouraged to wear pink attire over their school uniforms OR in the form of a pink pin, bracelet, button, or ribbon. Additionally, we will collect a 'suggested' donation of \$1.00 dollar where all proceeds will be donated to the American Cancer Society. We want to ensure our contributions will make an impact on the lives of others while highlighting the importance of breast care awareness.

Thank you for your continued support and encouragement.

Sincerely,

Dimitres Pantelidis

October is Breast Cancer Awareness Month

October 18th, 2019
Pink Day at PS/IS 171

On this Day we encourage students and staff to show their support by wearing something pink. Students will wear uniforms but can accessorize with pink items such as a pink shirt or a pink tie.

In addition, we ask for your support to donate at least 1.00 (one dollar). Teachers and PTA members will collect all donations and write a check to a Breast Cancer Foundation.

*In collaboration with the UFT and PS/IS 171 we will be furnishing each student with Pink Hope Bracelets.

Thank you!
