

Summer Packet for Ms. Glushanok's 7th Grade Math Class

Directions:

Please show your work, which may be written directly on these pages, or can be written on scrap paper. For numbers 6-17, you may use a calculator to assist you. If you don't know how to do a problem, I ask that you take your best guess.

This packet will NOT be graded, so don't worry. However, it WILL count against your homework grade if not completed.

Enjoy the summer, and I can't wait to meet you in September
