

Dear Future Third Grade Parents,

We would like to welcome you and your child to the third grade! In order to be prepared for the third grade, please make sure your child has the proper supplies for the first day of school. Depending on your child's teacher there might be additional items needed as well. You will be notified on the first day of school about these items. Also, please do not purchase book bags with wheels. In addition, all items will be used for the class community. Thank you in advance for your support and cooperation. Have a wonderful summer.

Sincerely,

The Third Grade Teachers
