October 2020

Dear 5th-Grade Families,

COVID-19 has had a profound impact across every aspect of our school system, including the admissions process. As a result, they're updating their pre-pandemic admissions timeline to ensure ample time for families to explore schools and apply once the application launches.

Please note: The middle school application is not yet open, and it no longer closes on December 4, 2020. You will have additional time to apply. We appreciate your patience. The middle school website will be updated with more detailed information and a timeline as soon as they can.

Please sign up for the middle school admissions email list (you should have an email, if you don't please create one. We can help you with this) and they'll notify you when the application opens! You will also get updates, key date reminders, and tips throughout the admissions process. The website tells you what you can do now, how to find a middle school, you will be able to view the open house calendar and it explains how you may apply.

You may change the language on the website to your preferred language by clicking "select language" at the top of the page. Please read through the site it has a lot of helpful information and tips. If you have any questions or concerns, feel free to contact me at mjoyce2@schools.nyc.gov, 929-445-7459 (during school hours) or you may reach an administrator at 718-405-6345.

Thank you.
