Dear Families,

As the Chancellor has stated, all of us are living through an unprecedented time as we work to keep our communities safe and healthy in the face of the Caronavirus (COVID-19). As you know, P.S. 94 is moving to remote learning as of Monday March 23rd to continue to educate and support our school community. We are committed to consistent and clear communication with you throughout this time period.

We are including a Social Emotional Packet and different online resources to support the Social Emotional wellbeing of our students while remote learning is taking place. We know that at times it may become challenging at home, below you will find the e-mails of the School Counselor's from P.S. 94 if you require additional support. The Schools Counselor's at P.S. 94 include:

- Angela Marinez (Amarine@schools.nyc.gov/Annex Building)
- Maria Joyce (Mjoyce2@schools.nyc.gov/Main Building)
- Dragos Dobrin (Ddobrin@schools.nyc.gov/Main Building).

Additionally, you will have access to online resources that will include Social Emotional Learning, Visual Fieldtrips, craft activities, and additional resources will become available.

We will continue to communicate with you in the coming days, and encourage you to visit our schools website daily for more information and updates on this transition

Sincerely,

M. Joyce
