Dear Parents/Guardians:

It has been a pleasure to work with you and your children during a very successful start of the school year. Students adjusted well to their new grade. As the year progresses, there will be many more dates and events that will be included in this newsletter. The newsletter will be posted on the school's website: www.prestonschools.org. If you are unable to access the website, please let me know and arrangements will be made for you to receive a hardcopy of the newsletter. In addition, PVMS will use the Remind App this year. This will be used for notifications and general updates sent as texts and/or emails. If you would like to sign up for this, please contact the office.
