

2020 DISTANCE LEARNING CHOICE BOARD:

1st GRADE

- For each day of distance learning, students should choose at least one activity from each subject area column (Math, Reading, Science/Writing, Social Studies/Writing, and Specials), or students can log into one of the websites indicated on the bottom row.
- Please fill in the Activity Log on the next page. Students should return the Activity Logs to their teacher when we return to school or as requested by the teacher.

MATH	READING	SCIENCE/WRITING	SOCIAL STUDIES/ WRITING	SPECIAL AREAS
Count to 120 by 1's, 2's, and 10's. Try starting at different numbers.	Practice as many phonics games as you can in 30 minutes using the games here: https://www.starfall.com/h/index-grades123.php	Look where you live and find various technologies (e.g., automobiles, radios, refrigerators, cell phones) and explain how they help people.	List 3 rules you have at school and 3 rules at home. Circle the rules that are similar. Write or talk to a family member or caregiver about why some rules are similar/different.	PE Make a dance/workout routine to your favorite song.
Create math problems by rolling dice and adding or subtracting the numbers. (cards or homemade cards can be used instead of dice)	Have someone read to you for 10 minutes. Write the title and 2 sentences about the text. OR visit www.storylineonline.net and choose a book to be read aloud to you.	Look outside (or go outside with an adult if you can) and write about the observable changes that occur in the sky, (e.g., clouds forming and moving, the position of the Moon/Sun, etc).	If you have access at home pick an <i>Are We There Yet?</i> video to watch: https://kids.nationalgeographic.com/videos/are-we-there-yet/ Write two sentences about the location you learned about.	Art Use two different materials to make an artwork. (Crayons, markers, collage, paint, etc.)
Exchange money with an adult. Identify coins by name and value. Practice telling time to the nearest half hour.	Make a list of nouns related to spring. Put them into alphabetical order.	Use a ball to show the various ways it can move (e.g., straight line, zigzag, back-and-forth, round-and-round, fast, slow). Write down your observations.	Write a list of 4 jobs that help your home or school community. Write or talk to a family member or caregiver about why each job is important.	Performing Arts Create a play in which your stuffed animals or toys are the characters. Perform for a family member..
Ask a family member to say a two-digit number. Mentally figure out 10 more than and 10 less than that number.	Read your favorite book aloud to a gathering of stuffed animals or action figures.	Make a list of objects you find that are solids or liquids.	Hide an item in your house, draw and label a map for someone to try and find it.	Media Color a picture of your favorite book character.
Go on a shape hunt! Find as many different shapes as you can. Tell an adult how many sides each shape has.	Draw a picture of your favorite character or setting in a book you have read or listened to this week.	Write about how the weather during the summer and winter affects your daily activities.	If you have access at home, visit https://pbskids.org/games/social-studies/ and play a Social Studies related game.	Music Listen to a piece of music and draw a picture that describes what you hear.

KHAN ACADEMY. Click here to go to [Khan Academy](https://www.khanacademy.com/). Either sign into your existing account or register for a new account. Practice for 10-15 minutes.

IXL: Click here to go to [IXL](https://www.ixl.com/). Sign into your existing account. If you do not have an account, just click on a topic you would like to practice (use free version). Practice for 10-15 minutes.

PRODIGY (math). Click here to go to [Prodigy](https://www.prodigy.com/). Either sign into your existing account or to register as a "New Player." Practice for 10-15 minutes.
