

2020 DISTANCE LEARNING CHOICE BOARD:

KINDERGARTEN

- For each day of distance learning, students should choose at least one activity from each subject area column (Math, Reading, Science/Writing, Social Studies/Writing, and Specials), or students can log into one of the websites indicated on the bottom row.
- Please fill in the Activity Log on the next page. Students should return the Activity Logs to their teacher when we return to school or as requested by the teacher.

MATH	READING	SCIENCE/WRITING	SOCIAL STUDIES/ WRITING	SPECIAL AREAS
Use beans, paper clips, cotton balls, or other small items to make groups of numbers 1-10.	Read a book at home with your family or caregiver. Who are the characters? What is the setting? What happened at the beginning, middle and end?	Check the daily weather report on TV/online. What is the high/low temperature? Write a prediction (best guess) if you will get rain, wind or sunny weather next.	Look at a map at home or online. Find where you live. Look for a place you'd like to visit and list words to describe that place.	PE Make a dance/workout routine to one of your favorite songs.
Practice writing your numbers in various ways (on paper, in sand, in shaving cream, etc).	Read to a stuffed animal. Read pictures, read the words or re-tell the story.	Look outside (or go outside with an adult if you can) in the morning, afternoon, and evening. Make/write observations about what you see in the sky.	List or draw a picture of 2 rules you have at home. Talk about these questions with your family or caregiver: How are the rules at home and at school similar or different?	Art Use only the primary colors to make an art piece.
Go on a shape hunt. How many different shapes can you find?	Find a book or magazine. Can you find any sight words in the book or magazine? Write them down on a piece of paper.	Find some simple tools (e.g., scissors, pencils, paper clips, hammers) and explain how they can make tasks easier for you.	Draw a picture and label a job that helps the community and tell your family or caregiver about why this job is important.	Music Listen to a piece of music and draw a picture to describe what you hear or feel.
Count things in your house! (Toys, stuffed animals, windows, doors, crackers in a bowl, etc.)	Practice phonics each day: https://www.starfall.com/h/index-grades123.php	Find five different objects and use your senses write or draw their shape, texture, size, and/or color.	Draw a picture or write about one thing you do each day or week to help at home or in your school community.	Media Color a picture of your favorite book character.
Play a card game or board game with a family member.	If you have access at home, visit www.storylineonline.net to listen to a story with your family or caregiver!	Use a magnet from your fridge to test/sort which objects are attracted to the magnet. Write about your findings.	If you have access at home, visit https://pbskids.org/games/social-studies/ and play a Social Studies related game.	Performing Arts Create a play in which your stuffed animals or toys are the characters. Perform for a family member.

KHAN ACADEMY. Click here to go to [Khan Academy](https://www.khanacademy.org/). Either sign into your existing account or register for a new account. Practice for 10-15 minutes.

IXL: Click here to go to [IXL](https://www.ixl.com/). Sign into your existing account. If you do not have an account, just click on a topic you would like to practice (use free version). Practice for 10-15 minutes.

PRODIGY (math). Click here to go to [Prodigy](https://www.prodigy.com/). Either sign into your existing account or to register as a "New Player." Practice for 10-15 minutes.

ACADEMIA KHAN. Haga clic aquí para ir a la [Khan Academy](#). Inicie sesión en su cuenta existente o regístrese para obtener una nueva cuenta. Practica durante 20-30 minutos.

IXL: haga clic aquí para ir a [IXL](#). Inicie sesión en su cuenta existente. Si no tiene una cuenta, simplemente haga clic en un tema que le gustaría practicar (use la versión gratuita). Practica durante 20-30 minutos.

PRODIGY (matemática). Haga clic aquí para ir a [Prodigy](#). Inicie sesión en su cuenta existente o regístrese como un "Nuevo jugador". Practica durante 20-30 minutos.
