Dear High School Families,

We are pleased to announce that we are now offering the convenience of on-line registration for athletics through FamilyID ([www.familyid.com](http://www.familyid.com)). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register your child for our athletic teams while allowing us to be more administratively efficient and environmentally responsible. When you register through FamilyID the system keeps track of your information within your profile. You enter your information just one time for each family member regardless of the number of teams in which they participate.

Before you register please make certain that your child has had an updated sports physical. It will also be helpful to have the following information available for accurate completion of your online registration:

- **Doctor information**
- **Health insurance information**
- **Student identification**
