August 2018

Dear Ninth Grade Student/Parent:

Next week you will be entering New Rochelle High School (NRHS) as a ninth grade student. The doors will open for you at 8:00 a.m., but more importantly, a multitude of opportunities will open for you also. Our programs, facilities and staff are here to assist you with earning your high school diploma at the highest possible level. We hope that during your four years at NRHS, you challenge yourself to explore new programs, hone your talents and fully develop your potential.

Wednesday, September 5<sup>th</sup>, is reserved for all day orientation and classes just for ninth grade students. Please report to the Whitney M. Young, Jr. Auditorium with your class schedule, this is very important, by 8:10 a.m. There will be several orientation activities and presentations throughout the day and it will conclude with a chance for you to meet your team teachers. This will provide you with important information so that you can transition successfully into the New Rochelle High School. Our Ignite student mentors will be available to assist you with directions throughout the day.

Due to limited staffing, we find that we are not able to honor all elective course requests. As you review your enclosed schedule, you may find your requested elective is not included. Please know that all required courses have been scheduled. Counselors will be available on September 5<sup>th</sup> to address any scheduling questions or concerns.

Lockers will be assigned the first week of school. Please come to school with a combination lock on Wednesday, September 5<sup>th</sup>. You may also be participating in field games that day, so be sure to bring sneakers.

Please carefully review the following enclosures:

- (1) Your class schedule
- (2) Bell schedule
- (3) Emergency card (*to be returned to House Office on the first day*)

Finally, welcome to New Rochelle High School! We are all pleased and proud to have you join us!

Sincerely,

Joseph Starvaggi
