

Italian 3 Honors  
Summer 2017

Dear student,

Congratulations on being accepted into Italian 3 Honors for the 2017-2018 school year. As you know, this is an accelerated course in Italian and in June 2018 you will be taking the NYS Regents Examination in Italian. During this course, reading, writing, listening and speaking skills will be further developed toward the mastery of vocabulary and grammatical structures. Oral communication skills are strengthened, cultural topics are studied through both literature and audio/visual materials, and advanced reading material is added.

For Italian 3 Honors, you will need:

- o To be in class on time and prepared with all necessary materials
- o To hand in all assignments on time
- o To be prepared to take a verb conjugation review test during the first few weeks of school (present and past tenses)
- o A binder divided into 5 sections (notes, class work, homework, tests/quizzes and Regents review OR a 3 subject notebook accompanied by a folder)
- o A journal that will remain in class

You are also expected to complete a summer assignment, which is due on the first day of school. The assignment is to write three 150 word essays; one in the present tense about yourself in Italian, one in the imperfect tense about your life when you were six years old, and another one using the passato prossimo about somewhere you went this summer.

Feel free to e-mail me with any questions or concerns.

Buon divertimento quest'estate!

Tante belle cose,
