

Pre AP Italian Language and Culture  
Summer 2017

Dear Student of Pre AP Italian,

Congratulations on being accepted into Pre AP Italian for the 2017-2018 school year. This is an accelerated course in Italian. During the year, cultural topics and literature will be studied, which will help in the further development of the reading, writing, listening and speaking skills. Audio/visual materials and advanced reading materials (movies, newspapers, literary works) will be included.

For this class, you are expected to:

- Be in class on time with all necessary materials
- Hand in all assignments on time (no late work will be accepted)
- Have a notebook or binder for Italian class only
- Have a journal that remains in class

In addition to exposing yourself to as much Italian as possible and reviewing all grammar topics this summer, you are also expected to complete a summer assignment, which is due on the first day of school in September.

Assignment: Visit the website <http://www.italianoinfamiglia.it/piano.asp> and watch “puntate” 5, 9, 10 & 14. After watching each “puntata”, go to “i quaderni rosso e verde”, and complete the exercises in each notebook. You can print the exercises or write your answers on a separate piece of paper. You do not need to complete the crossword puzzles.

How can you expose yourself to Italian language and culture this summer, so you are prepared for class when you come back to school in September? Follow LucreziaOddone on Instagram, YouTube (Learn Italian with Lucrezia) and Snapchat, Watch her vlogs and videos and read her blogs, which are uploaded almost daily and in Italian. Another good YouTuber to try is Tom Txytu. You can also watch Italian tv shows and movies. There are quite a few offered on Netflix.

Feel free to e-mail me with any questions or concerns you may have.

Buon'estate e buon divertimento!

Tante belle cose,

Ms. Morganti
