Dear Parents/Guardians;

The state of Texas requires all children to be immunized or to have a current waiver in place prior to the beginning of the 2019-2020 school year. Here is the latest communication from the state to Texline ISD:

***Before the students leave for the summer, we want to send a friendly reminder regarding the required vaccines for the 2019-2020 school year. Please remember to comply with the Texas minimum requirements for school entry. Students must be up-to-date with their vaccines or have a valid vaccine exemption in order to attend school.***
